# DIRECTIONS TO STETSON

## If you are flying:

You may choose to fly into Orlando International Airport or Daytona International Airport. We generally suggest Daytona because it is closer, smaller (and therefore less confusing), and an easier drive to campus. Flying into Orlando will probably save you some money, so please check both destinations. Shuttle service is available from both airports through the Daytona Orlando Transit System (D.O.T.S) at (800) 231-1965. (A 24 hour advance reservation is required for Daytona Beach International Airport.) The D.O.T.S service will take you to a stop on State Road 44, from which the DeLand Taxi service can be used to take you the final distance to campus. The DeLand Taxi Service can be reached at (386) 734-8484.

## If you are driving:

**From Orlando:** Take I-4 east to Exit 114, State Road 472. Take a left at the stoplight on SR472, traveling west (left) to an exit ramp. Go north (right) on 17-92 (Woodland Blvd.). Travel through downtown DeLand (5 miles) to campus. Pass the light at Minnesota Avenue. Turn right at the next driveway after Chaudoin Hall.

**From Jacksonville:** I-95 South to Route 92 (Exit 261), west approximately 20 miles. At the intersection of Woodland Blvd. (Highway 17) and Route 92, turn left on Woodland Blvd. Travel approximately 1 1/2 miles to SU campus, continue past the light at Pennsylvania Avenue. Turn left at the driveway after Emily Hall.

**From Miami:** I-95 North to State Road 44 (Exit 249/DeLand/New Smyrna Beach Exit). Go west approximately 23 miles to DeLand. Take a right on Alabama Avenue, a left on Indiana Avenue, and then a right on Woodland Boulevard (17-92). Continue past the light at Minnesota Avenue and turn right at the next driveway after Chaudoin Hall.

**From I-75:** Take Ocala Exit 352 (State Road 40) east to US Highway 17 in Barberville (approximately 45 miles). Turn right (south) onto Highway 17 and travel 14 miles to the SU campus. Pass the light at Pennsylvania Avenue. Turn left at the driveway after Emily Hall.
