The National Student Loan Data System (NSLDS) is the U.S. Department of Education's central database for student aid. NSLDS provides an integrated view of Title IV loans and grants that are tracked through their entire cycle; from aid approval through closure.

**FOLLOW THESE STEPS TO ACCESS YOUR STUDENT LOANS ON NSLDS:**

2. In order to use the NSLDS Student Access web site, you will need to provide your Social Security number (SSN), the first two letters of your last name, your date of birth, and your PIN.

   **Note:** Your PIN is the same four-digit PIN that is used when completing the FAFSA. If you cannot remember your PIN, you may visit [www.pin.ed.gov](http://www.pin.ed.gov) to “Request a Duplicate PIN”.

3. After logging in, your entire federal student loan and or/grant history will be displayed, along with outstanding balances, loan statuses, and disbursements. You may click on the blue numbers in the left column to review detailed information for each loan, which will include loan servicer contact information.
