

## **CASE STUDY - Student and Faculty Issues**

You are a Senior Administrator in the Overseas Studies Department of the East Coast University. The Director of Studies in the Law Faculty has told you they are planning to take classes of students to the UK, France, Italy and Germany as part of a new arrangement with Universities in London, Paris, Milan and Munich, for a period of either 2 or 8 months, during the Summer vacation, or for 2 semesters. They will be accompanied by a number of faculty members.

The Director has heard something about new visas and a points based and sponsorship system in the UK, and has a number of questions about the position in the UK and elsewhere on mainland Europe.
