International Concentration Program

Designation of Mentor

Mentor Requirement: Upon acceptance into this concentration program, the student must obtain a Stetson's Law Professor's consent to serve as his/her mentor until graduation. The student and mentor must meet regularly for the purpose of discussing the student's completion of the Concentration's requirements. The mentor is also required to approve the student's course selection during semester registration and approve the student's fulfillment of the Concentration's writing requirement.
