**RULES FOR THE SIXTEENTH ANNUAL
STETSON INTERNATIONAL ENVIRONMENTAL
MOOT COURT COMPETITION
2011–2012¹**

A. COMPETITION COMMITTEE AND FORUM

1. Competition Committee Defined

The Competition Committee is comprised of Interim Dean Royal C. Gardner, Professor Brooke Bowman, and Professor Lance Long, and other members who may be appointed to serve. Members of the Competition Committee will not be actively affiliated with any team registered to participate in the Competition.

2. Powers of the Competition Committee

- a. The Competition Committee has the sole discretion to enforce all Competition rules.
- b. The Competition Committee has the sole discretion to interpret the Competition rules. No interpretation of the Competition rules is valid unless obtained in writing from the Competition Committee.
- c. The Competition Committee has the sole discretion to answer questions about the Record and all other papers that constitute the Problem.
- d. The Competition Committee has the sole power to resolve any dispute that may arise during the Competition.
- e. The Competition Committee has the power to change or supplement the Competition rules, should any changes or supplements become necessary. Changes and supplements will be communicated to participating teams as quickly as possible.

3. Participation of Competition Committee Members

Unless each affected team consents, members of the Competition Committee will not judge memorials or oral arguments.

¹ For the most part, these rules also apply to the North America Regional Rounds. Any differences between the rules for the International Finals and the rules for the North America Regional Rounds will be noted.

4. Questions and Inquiries

Any questions or inquiries about the Competition should be directed to the Competition Committee **in writing**. To the extent a question or inquiry affects other teams, a copy of each written question and answer will be circulated to all participating teams. The deadline for requests for clarification of the Record is September 30, 2011.

5. Contact with the Competition Committee

The Competition Committee may be reached at

By mail: International Environmental Moot Court Competition
Attn: Professor Brooke Bowman
Stetson University College of Law
1401 61st Street South
Gulfport, Florida 33707

By fax: International Environmental Moot Court Competition
Attn: Professor Brooke Bowman
727-343-9319

By e-mail: bowman@law.stetson.edu

6. Forum

The problem will be set in the mock International Court of Justice (ICJ). To the extent that the Competition rules are silent, ICJ rules will apply. If an ICJ rule conflicts with a Competition rule, the Competition rule will prevail.

B. REGIONAL AND OTHER QUALIFYING ROUNDS

1. Teams Must Compete in Regional or Other Qualifying Round

Except as provided below, a team must compete in a regional or other qualifying round before advancing to the International Finals. Regional Rounds are expected to be held in Africa, Central and Eastern Europe, Ireland, Latin America, North India, South India, North America (Atlantic), North America (Pacific), and Southeast Asia before the International Finals. Memorials submitted from Regional Rounds will be re-graded for the International Finals. Any disputes arising out of Regional Rounds shall be resolved by the Regional Coordinators.

2. **Advancement to the International Finals**

The top two teams from each regional or other qualifying round will be invited to participate in the International Finals.

3. **Teams from Regions without a Regional Round**

In the interest of increasing participation in the Competition, the Competition Committee may establish additional Regional Rounds. In addition, the Committee may extend invitations to teams from regions where a Regional Round is not held. Such teams will be invited to participate in the International Finals with the understanding that they will consider hosting a Regional Round at their schools in the following year.

C. **TEAM COMPOSITION**

1. **Team Defined**

- a. A team consists of two or three persons, each of whom satisfies the criteria listed in Section C(2). [**Note:** Some regional rounds may permit up to five team members. While this is permissible in part to encourage broader participation, if a team advances to the International Finals, the team will be restricted to no more than three team members.]
- b. No person may be a member of more than one team, nor may any member of a team discuss the problem or related substantive matters with any member of a different team. Team members may only discuss the problem or related substantive matters with members of their own team.
- c. Only two team members may present arguments or otherwise participate in any particular round (all three may argue during the competition, but only two may argue in any particular round).
- d. All team members may participate in any other aspect of the Competition, including practice rounds, research, and drafting.
- e. Only two team members may sit at counsel table during a round. If there is a third team member, he or she should sit behind his or her teammates and he or she may not communicate with his or her teammates during the round, even if the teammates are not arguing at that particular moment.

2. Qualifications of Team Members

- a. No team member may hold a law degree from a United States law school.
- b. Each team member must be enrolled in a full-time or part-time Juris Doctorate or equivalent program in the law school they represent. The Competition Committee will determine on an individual basis whether potential team members from countries other than the United States meet these criteria.
- c. Except as noted above, members may not hold or be enrolled in any graduate legal program, such as an LL.M. or S.J.D. program, or the equivalent.

3. Replacing Team Members

No team member may be replaced after the team's memorial has been written or substantially written, except with the express written consent of the Competition Committee, which will require a showing of good cause.

4. Coaches and Advisors

- a. Each team may have one or more coaches.
- b. If a school enters more than one team in the Competition, each team must have a different coach.
- c. Once the record has been released, coaches/advisors may not help the team members with drafting or editing of the memorial. A coach or advisor's assistance must be in accordance with Rule H.1.
- d. Nothing in this rule prevents non-coach, practice-round judges from seeing different teams; however, no person may share substantive information from one team with another team. For example, if an individual serves as a practice judge for one team, he or she may later serve as a practice judge for another team, but may not tell one team what the other team argued during its presentation.

D. SCORING AND AWARDS

1. Breakdown

- a. Except for the Final Round, scores for each round will be determined by counting the team's memorial score as one-third of the total score and oral score as two-thirds of the total score.

- b. The oral score will be determined by a panel of judges. The judges will not know the teams' memorial scores.
- c. In the Final Round, the winner will be determined based solely on the decision of the judges. The teams' memorial scores do not factor into the final-round score.

2. Awards:

- a. The Competition will conclude with the announcement of the following awards:
 - (1) the Competition Champion;
 - (2) runner-up;
 - (3) semifinalists;
 - (4) best overall memorial;
 - (5) runner-up memorial;
 - (6) third place memorial;
 - (7) top five oralists in the Preliminary Rounds; and
 - (8) best individual oralist in the Final Round.
- b. To be eligible for the best individual oralist in the Preliminary Rounds, a competitor must argue at least three times. For those who argue four times, the low round score will be dropped.
- c. The same individual may not win both best oralist awards (the best individual oralist in the Preliminary Rounds and the best individual oralist in the Final Round).
- d. The awards for the North America Regional Rounds may vary. At the minimum, the following awards will be presented:
 - (1) the Regional Champion;
 - (2) runner-up;
 - (3) best memorial;

- (4) top three oralists in the Preliminary Rounds; and
- (5) best individual oralist in the Final Round.

E. MEMORIALS (BRIEFS)

1. Sides

- a. Each team must submit **either** an Applicant or Respondent memorial to the Competition Committee by November 18, 2011 (for purposes of these rules, the Federal States of Amuko is the Applicant and the Republic of Rentiers is the Respondent).
- b. Teams will prepare an Applicant or Respondent memorial based on rules for each Regional Round. For example, in the North American Rounds, a team may choose to write for either the Applicant or Respondent. In other regionals, the regional coordinator may leave the choice to a team's discretion, assign a side, or require teams to prepare memorials for both sides.
- c. If a school enters more than one team in the Competition, one team must represent the Applicant and the other team must represent the Respondent. And the two teams cannot collaborate during the brief-writing process.

2. Problem

- a. The hypothetical facts on which the Competition is based will be drafted by a person or group of persons knowledgeable in the field of international environmental law.
- b. The person(s) who drafts the problem will also prepare—or supervise the preparation of—a bench memorial that will be provided to persons who judge oral rounds.

3. Format

- a. The memorial may not exceed **6,500 words** on 8-1/2 x 11-inch pages (or the standard paper used in the courts of the team's country), with one-inch margins at top, bottom, left, and right. **Footnotes do count toward the word limit.** Note: Most word processing programs can provide you with a word count.
- b. The memorial must be typed and double-spaced. A team does not violate the double-spacing requirement by including written material properly that is single spaced, such as a block quote.

- c. Each memorial must include the following sections, which **do** count toward the word limit: statement of facts, summary of argument, argument with point headings, and conclusion.
- d. Each memorial must also include the following sections, which **DO NOT** count toward the word limit: front and back cover pages, table of contents, questions presented, statement of jurisdiction, index of authorities, signature block, affidavit (see Addendum A), and appropriate appendices.

(1) **Limit on Use of Authorities:** Teams may not use—in memorials or oral argument—any case issued, order decided, or actions that affect the status of any treaty (for example, signature, accession, ratification, entry into force) after July 21, 2011.

(2) **Citations:** All citations must conform to the most current version of either *The Bluebook: A Uniform System of Citation* or the *ALWD Citation Manual* (Aspen Publishers). Teams from outside the United States should make a good effort to comply with proper citation format.

(3) **Cover Color:** Each memorial cover (memorials should have front **and** back covers) must be the following color:

Applicant:	Blue
Respondent:	Red

(4) **Identification:** To facilitate anonymous grading, names of the team members and the school they represent may appear only on the affidavit **that must be submitted with the original memorial** (see Addendum A).

The affidavit should be clipped to the outside of the original memorial; it should not be bound within the memorial. Do not include the names of team members or the affidavit in any copies. Names of team members and the school must not appear within the memorial itself.

Each team will be assigned an identification number that is to appear in the uppermost right-hand corner of its front memorial cover.

4. Number and Service on Competition Committee

- a. Every team must submit one hard copy of its memorial to the Competition Committee. The hard copy will be the official memorial. Any discrepancy between the hard copy and electronic copy, the hard copy memorial will take precedence.
- b. **In addition**, every team **must** send a copy of the memorial as an e-mail attachment in Word or WordPerfect format. The content of the e-mail attachment should not differ from the content of the hard copies submitted to the Competition Committee (however, the affidavit should not be attached). **Do not send the memorial as a PDF-file.**
- c. The electronic version of the memorial **must be received** by the Competition Committee no later than 5:00 p.m. (Eastern Time) on November 18, 2011. The Committee will then post each memorial on the Stetson web site after **all** regionals have concluded.
- d. The hard copy of the memorial must be postmarked with the date of November 18, 2011.
- e. All memorials sent to the Competition Committee should be addressed to

International Environmental Moot Court Competition
Attn: Professor Brooke Bowman
Stetson University College of Law
1401 61st Street South
Gulfport, Florida 33707

E-mail: bowman@law.stetson.edu

5. Service on Other Teams

Teams should not send copies of their memorial to any other team. As noted in paragraph 4(c) above, the Competition Committee will post the memorials of teams advancing to the International Finals on the Stetson web site.

Teams competing in the North America Regional Rounds will have access to the teams' memorials prior to the North America Regional Rounds.

6. No Changes after Submission

Once the memorials have been submitted to the Competition Committee,

or to any regional competition, no revisions, supplements, or additions will be allowed. In addition, no written material outside the memorial will be accepted.

7. Grading

- a. Each memorial will be scored by a panel of judges knowledgeable in the areas of international and/or environmental law.
- b. The scores will be averaged and that average will be the memorial score used throughout the International Finals. However, the memorial score will not be used to determine the Final Round winner.
- c. Memorials will be graded for both content and style. The factors memorial judges will consider include, but are not limited to, the following: legal substance; use of authority and extent of research; issue analysis; logic and reasoning; clarity and organization; persuasiveness; thoroughness; style; grammar; spelling; citation frequency and form; and compliance with Competition rules.
- d. Memorial scores will not be released until after the Competition is completed. At that point, the Competition Committee will release a list that reflects each school's ranking.
- e. The minimum score on any memorial will be 60.

8. English:

Each memorial must be submitted in English.

9. Use of Recycled Paper Encouraged

In keeping with the subject matter of the Competition, the Competition Committee encourages the use of recycled paper when preparing and submitting memorials.

F. ORAL ARGUMENT PROCEDURES

1. Time and Place

- a. All oral arguments will be held at Stetson University College of Law, on March 29–31, 2012.
- b. Courtroom assignments will be provided upon arrival.

- c. Stetson University College of Law's Gulfport campus has five mock courtrooms. The first Preliminary Round will be held on Thursday, March 29, and the remaining three Preliminary Rounds will be held on March 30.
- d. During the Preliminary Rounds, each team will argue four times and will argue for both the Applicant and Respondent.
- e. Please have one team representative check-in and attend the mandatory orientation meeting on Thursday, March 29, at 5:00 p.m. in the Mann Lounge.
- f. The North America (Atlantic) Regional Rounds will be held at The American University Washington College of Law, and the North America (Pacific) Regional Rounds will be held at the University of Denver College of Law.

2. Time per Team and Rebuttal Time

- a. Each oral round will be limited to sixty minutes; each team will have thirty minutes.
- b. Teams representing the Applicant in a round may reserve up to five minutes of their time for rebuttal by (1) informing the timekeeper before the round how much rebuttal time will be reserved and the time breakdown for each team member, **and** (2) requesting rebuttal time from the presiding judge at the start of Applicant's argument.
- c. Only one team member may argue on rebuttal; either participating member may give rebuttal. The team member arguing the rebuttal does not need to be designated in advance of the argument.
- d. Previously reserved rebuttal time may be waived by the Applicant following the close of Respondent's argument. However, the Applicant may not otherwise reallocate rebuttal time once the round begins.
- e. Sur-rebuttal by the Respondent will not be allowed.
- f. Each participating team member must intend to speak for at least ten minutes (in addition to rebuttal time).
- g. Nothing in this rule requires a 50/50 split of time between co-counsel.

3. Anonymity

- a. Although counsel may introduce themselves to the tribunal in the usual manner, the team's law-school affiliation may not be mentioned at any time before, during, or **after** the oral argument (because some judges may preside in more than one round).
- b. Further, all team members, coaches, advisors, and observers must refrain from identifying a team's school at any time and in any manner, including, but not limited to, wearing any identifying items, such as school clothing, patches, or pins, or carrying identifying material (such as a notebook with a school logo).
- c. Each team will be provided with a table card with the school's team number. The card should be placed on counsel table facing the judges at the beginning of the round and should remain on the table throughout the round.

4. Contact with Judges

- a. All team members and individuals affiliated with a team are prohibited from speaking with the judges before a round.
- b. Also, since individuals may judge more than one round, until a team is eliminated from the Competition, team members and individuals affiliated with the team should not speak with judges about any substantive matters or teams' identifications.

5. Judges and Judging Criteria

- a. Barring unforeseen circumstances, each round will be judged by at least three persons.
- b. Judges will be provided with a copy of the bench memorial and the problem.
- c. Oral argument judges will **not** be provided with copies of the participants' memorials.
- d. Each judge will score each participating team member; the judges' scores for that round will be added to determine the team's oral-argument score for a round.
- e. The scores of all judges will be averaged to determine the oral-argument portion of a team's score.

- f. Each judge will receive a grading form outlining the factors to be considered during the judging process; the grading form will also identify what excellent, average, and below average scores should be in each category.
- g. The factors to be considered include, but are not limited to: organization and clarity; analysis and thoroughness; knowledge of facts and law; courtroom manner and style; ability to answer questions and control argument; persuasiveness; and professionalism.

6. Critiques

Each judge will be requested to provide a short oral critique at the end of each round. Judges' scores will not be released until after the Competition.

7. Announcements

- a. After all of the Preliminary Rounds have been completed, the eight teams advancing to the Quarterfinal Round will be announced.
- b. After the Quarterfinal Rounds have been completed, the four teams advancing to the Semifinal Rounds will be announced. Similarly, after the conclusion of the Semifinal Rounds, the two teams advancing to the Final Round will be announced.
- c. The winner of the Final Round will be announced during the Awards Reception.

8. Stetson's Participation

Stetson may not enter a team in the International Finals.

9. English

All oral arguments will be conducted in English. Judges may take into consideration that English is a team's second language in scoring the competition.

10. Visual Aids

Visual aids and other similar devices may not be used during oral argument.

G. SEQUENCE OF ORAL ROUNDS/ADVANCEMENT

1. Preliminary Rounds:

- a. Four Preliminary Rounds will be held.
- b. Each team will argue in each Preliminary Round.
- c. Each team will argue on- and off-memorial at least once in the Preliminary Rounds.
- d. During the first two Preliminary Rounds, teams will be power-protected based on memorial score (higher memorial scores compete against lower memorial scores).
- e. During the last two Preliminary Rounds, teams will be power-matched based on their record in the first two Preliminary Rounds (highest-ranked team competes against second highest-ranked team, etc.). The Competition Committee will alter the power-matched rankings so that teams will not compete against any team more than once during the Preliminary Round.
- f. *We will endeavor, but cannot promise, to make the schedules for the first three Preliminary rounds available at the orientation meeting on Thursday, March 29.*
- g. Each team will be scored on a combination of its average memorial score and average oral score (1/3 memorial and 2/3 oral).
- h. Each team's score will be compared to its opponent's score in that round, and the differential determined.
- i. The teams with the best won-lost records will advance to the Quarterfinal Rounds.
- j. In the event of a tie in won-loss records, the team winning the highest percentage of judges' ballots during the four Preliminary Rounds will advance.
- k. If a tie occurs on ballots, the team with the highest positive point differential over its opponents during the four Preliminary Rounds will advance.
- l. The Competition Committee will not change pairings simply because teams from the same school are scheduled to argue against one another.

- m. Depending upon the number of schools participating in the North America Regional Rounds, there may be only three Preliminary Rounds at these regionals. If that is the case, the first two Preliminary Rounds will be power-matched based off of the memorial scores. The third Preliminary Round will be power-matched based on the teams' records in the first two Preliminary Rounds.

2. Quarterfinal Rounds

- a. The eight highest-ranking teams from the Preliminary Rounds will advance to the Quarterfinal Rounds.
- b. The highest-ranking team will argue against the lowest-ranking team. The higher-ranked team will choose which side they wish to represent.
- c. The top four highest ranking teams will advance to the Semifinal Rounds, based on memorial scores and oral scores earned during the Quarterfinal Rounds. Advancement will be determined in the manner described in paragraphs G(1)(g)–(h), (j)–(l) above.
- d. Depending upon the number of schools participating in the North America Regional Rounds, there might not be Quarterfinal Rounds,

3. Semifinal Rounds

- a. The four highest-ranking teams will advance to the Semifinal Rounds.
- b. The highest-ranking team will argue against the lowest-ranking team. The higher-ranked team will choose which side to represent.
- c. The two highest-ranking teams will advance Final Round, based on memorial scores and oral scores earned during the Semifinal Round. Advancement will be determined in the manner described in paragraphs G(1)(g)–(h), (j)–(l) above.

4. Final Round

- a. The top two highest-ranking teams will meet in the Final Round.
- b. The winner of the Final Round will be determined solely on the basis of oral presentation in the Final Round. The judges will

caucus to determine the winning team and the best oralist in the Final Round. The judges are not obligated to use score sheets.

- c. The winner of the Final Round will be designated the Competition Champion.

H. OUTSIDE ASSISTANCE

1. Assistance on Memorials

- a. A team may receive only the following assistance on the memorial:
 - (1) Team members may discuss with their coach and with others affiliated with their school (as long as other rules contained herein are not violated) general principles of international environmental law.
 - (2) The coach may provide general guidance on the overall organization of the brief, but may not assist with the actual writing and may not edit the paper or correct citation format.
 - (3) Teams for which English is a second language may seek assistance within their schools regarding English grammar and spelling.
- b. A team may hold oral practice rounds before its memorial is submitted to the Competition Committee or to a regional competition.

2. Affidavit

- a. Each team member must sign a copy of the enclosed affidavit, which must be submitted with the original memorial to the Competition Committee.
- b. By signing the affidavit and submitting a memorial to the Competition, each team member certifies that the memorial has been prepared in accordance with the Competition rules, and that it represents the work product solely of such team's members.
- c. A blank affidavit is attached as Addendum A.

3. Assistance on Oral Argument

A team may be assisted in the preparation of its oral argument, except as limited by section H(4) below.

4. No Collaboration with Other Teams

- a. No member or coach of any team still eligible to participate or actually participating in the Competition may attend any practice or argument of another team or receive information from any person who has attended such practice or argument.
- b. In addition, while a team is still active in the Competition, no team member, coach, or other affiliated person may “scout” other active teams.
- c. If a school sends two teams, and one team is eliminated but the other is still active, both schools will then be treated as one team, for purposes of this rule only.

I. CHALLENGES AND DISPUTE RESOLUTION

1. Memorials and Pre-Oral Argument Challenges

- a. Any complaint or challenge of a memorial or any other pre-oral argument matter must be submitted in writing to the Competition Committee no later than ten days after the memorials have been posted on the Stetson web site.
- b. Should the allegedly offensive conduct occur after that time, the complaint should be submitted within twenty-four hours of its discovery.
- c. The complaint or challenge should be directed to the Competition Committee and should specify in as much detail as possible the nature of the complaint or challenge. No other person should be copied on the complaint or challenge.
- d. After reviewing the complaint or challenge, the Competition Committee will, if necessary, contact other affected teams and issue a ruling.
- e. The ruling of the Competition Committee will be final and may not be appealed.

2. Oral Arguments and Other Competition Challenges

- a. Complaints or challenges concerning any oral argument or conduct during the Competition must be reported to the Competition Committee within ten minutes of the conclusion of the round in which the allegedly offensive conduct occurs.

- b. Conclusion of the round, for purposes of this rule, will be the end of the Applicant's rebuttal period.
- c. Complaints or challenges that occur during the Competition that do not relate to a particular oral argument should be reported to the Competition Committee as soon as possible, but in no event later than fifteen minutes before the next-scheduled oral argument round.

3. Conflicts of Interest

A judge's alleged conflict of interest should be reported to the Competition Committee before that particular round commences. Otherwise, the conflict is deemed waived.

4. Penalties

Penalties may range from warnings, to point deductions, to disqualification, depending on the nature and severity of the offense. Multiple offenses by a single team will warrant more severe penalties.

5. Waiver

Failure to comply with the procedures in Section I will waive the complaint or challenge.

J. MISCELLANEOUS

1. Use of Problem

The problem for this Competition may not be used by any participating school, for any reason, including intra-school competitions, without the express written consent of the Competition Committee. The Competition Committee has granted permission for the problem to be used in the African Rounds, Central and Eastern European Rounds, Irish Rounds, North Indian Rounds, South Indian Rounds, North American (Atlantic) Rounds, North American (Pacific) Rounds, the Latin American Rounds, and the Southeast Asian Rounds to select teams to participate in the International Finals.

2. Scores

Scores will not be made available, either orally or in writing, until the Competition is completed. After the Competition, the Competition Committee will provide scores and/or rankings to each school's

designated representative.

3. Professionalism

All teams should conduct themselves ethically and with professionalism.

4. Costs

All costs associated with the Competition should be borne by the schools of individual team members or by individual team members. Stetson will not reimburse participants for costs associated with the Competition.
