

### **Identification Badges**

All members of the Stetson community, including faculty, staff, and students, should display an official Stetson I.D. badge if they are on campus after 10:00 p.m., or at any time when using facilities that are or become accessible only through swipe card access. Faculty, staff, and students should also keep their Stetson I.D. badges with them whenever on campus, and particularly when using Stetson recreational facilities, such as the gym, pool, or the basketball and tennis courts.

Public Safety Officers are authorized to ask individuals to show their I.D. badges at any time, to question persons not displaying I.D. when required, and to remove or have removed from campus individuals who cannot establish that they are legitimately on campus. All faculty, staff, and students are expected to be courteous and to cooperate fully with the Public Safety Department when responding to such requests.

Students may obtain a badge from the Office of Student Life; faculty and staff may obtain a badge from the Public Safety Department.
