(Note – the same funding requirements apply to students applying to enter as a Student Visitor and those applying for the Tier 4 General Student Visa).

Proof of funds to live on while you are in the UK will be required for all students whether applying for a General Student Visa or entering as a Student Visitor. Students studying in Central London are expected to have an estimated living allowance of £800 a month (or be able to prove that they are going to be accommodated by and supported by family in the UK). Bank Statements must be less than 28 days old at the time of application. This proof of funds can be in parent’s/guardian’ names, but documentary proof of this must be provided, including:

(1) an original signed and dated letter confirming the relationship (birth certificate, adoption certificate or court document confirming guardian status) and

(2) An original signed and dated letter confirming the relationship to the student, the funds available, and consent to make the funds available.
