Consent for Media Release Form

Throughout the duration of the Brass Camp, pictures and/or video might be taken. This is mainly for the purpose of promoting and publicizing the camp for the next year. However, the possibility of a local newspaper or other form of journalist visiting the camp does exist. Stetson University limits the use and distribution of all pictures, videos and recordings of all their summer conferences. The use of these materials may include, but not be limited, to:

1. Brass Camp brochures for the next year
2. The Stetson University School of Music website under “Special Events” which advertise all summer music programs
3. The Deland Beacon, The Daytona News Journal and/or the Orlando Sentinel newspapers

I have read and fully understand the use and possibilities of media released from the Stetson University Brass Camp. By signing this form, I allow this media to be used for the purpose of future promotion of the Stetson University Brass Camp.
