Foster an integrative learning environment to support and challenge students to lead a life of significance.

Campus Life and Student Success (CLaSS) Strategic Map: 2013 - 2015

A. Campus Vibrancy
   - Establish and sustain annual campus-wide traditions

B. Holistic Wellness
   - Increase and deepen initiatives, spaces and outreach to maximize student commitment to the dimensions of wellness

C. Safe and Supportive Campus Community
   - Weave Universal Design concepts into the Stetson fabric for a safe and inclusive community

D. Academic Success and Resiliency
   - Provide integrated processes to eliminate administrative barriers
   - Strategically and aggressively work to increase retention and graduation rates

E. Global Citizenship
   - Increase students' exposure to and engagement in diverse cultural experiences in our campus, local, and global communities
   - Provide opportunities for deep reflection and self-discovery around intercultural experiences

F. Personal and Professional Goal Fulfillment
   - Maximize and support university high impact practices
   - Bolster distinctive opportunities for all students to participate in experiences that promote community engagement, academic excellence, and career development
