1. In your web browser type in my.stetson.edu

2. On the login page, type in your username and password. Your username typically includes your first initial and last name and your password is the 15-character password associated with your username, which was originally provided to you by the Office of Admissions.
3. Once you have logged in to my.stetson.edu, you will want to select “Blackboard” at the top right hand side of your screen.

4. On the right side of your Blackboard home page is a section titled “My Courses.” You will want to select the course titled “Blackboard Advising Modules.”

5. Once you have clicked on “Blackboard Advising Modules” you will see a home page that looks similar to the picture below. Please follow the instructions listed on Blackboard to complete the lessons and quizzes.
