Gifts of stock may be made by your personal broker to Stetson University. Above is our primary account for receiving stock gifts at Raymond James and Associates. If you would like to send your stock gift to an account not affiliated with Raymond James, please contact Paul Gleason at pgleason@stetson.edu or (386) 822-7464.

Once you have notified your broker, please send the following information to Paul E. Gleason, Alumni/Development Operations, Stetson University, 421 North Woodland Boulevard, Unit 8286, DeLand, Florida, 32723, or e-mail it to pgleason@stetson.edu, or fax it to 386-822-7467:

1. Name of your broker
2. Telephone number of your broker
3. Name of stock and number of shares you are giving
4. Purpose/designation of your gift

Please note that you may not want your broker to sell the stock and forward the proceeds to the University. This might jeopardize the tax benefits you would receive if the University arranges for the disposition of stock.

The University will notify you of the amount of your gift deduction based upon the date the transfer is completed.

Gifts of Securities

If you wish to hand deliver:

Securities, along with a letter stating the purpose of your gift, may be hand-delivered to Paul E. Gleason in the Office of Alumni/Development Operations at 207 East Michigan Avenue, DeLand, Florida, or to Mrs. Linda P. Davis in DeLand Hall at 421 North Woodland Boulevard, DeLand, Florida. The stock should be endorsed to Stetson University and signed. This can be done through a separate Stock Power Form, or on the back of the certificate. A bank or broker should guarantee the signature. The gift date will be the date it is received. We will notify you of the valuation of your stock based on that date.

If you hold certificates yourself:

Certificates may be mailed via U.S. Postal Service (first class mail) without any endorsement or assignment, along with a letter stating the purpose of your gift to:

Stetson University
Paul E. Gleason
Office of Alumni/Development Operations
421 North Woodland Boulevard, Unit 8286
DeLand, Florida 32723

You should send one Stock Power Form per certificate. Endorse each form(s) exactly as your name or names appear on the front of your certificate(s). Please do not include any other information on the Stock Power Form. Send the Stock Power Form(s) to the same address as your certificate(s). The form(s) is enclosed for your convenience.

Certificates are to be mailed in a separate envelope from the Stock Power Form.

Stock certificates will not be negotiable until both the certificate(s) and the Stock Power Form(s) have been received. This is a very secure way to transfer your stock to the University.

The gift date will be the postmark on your certificate(s) envelope. We will notify you of the valuation of your stock based on that date.
