DIRECTED ELECTIVES – JD/MBA PROGRAM

The required graduate course work for the MBA portion of the JD/MBA Program consists of 18 semester hours of MBA core courses offered by the School of Business Administration. The remaining 12 hours for the MBA degree are Directed Electives from the law school curriculum.

Of the 12 elective hours, students enrolled in the JD/MBA Program must take one of the following law courses:

**LAW 3255 CORPORATIONS or LAW 3154 BUSINESS ENTITIES**

In addition to the CORPORATIONS class, students must choose 9 hours from a set of directed law school electives. NOTE: Any course that satisfies the “ADMINISTRATIVE LAW REQUIREMENT” or the “CODE REQUIREMENT” for law school graduation will count as a Directed Elective.

Not all of the courses listed below are offered every semester by the College of Law. Also, there may be other law school classes that would qualify as a directed elective for the JD/MBA Program. If a student wishes to take a course not listed below, please contact the JD/MBA Program Coordinator to have the course reviewed for inclusion on this list.
