

Stetson Peer Instruction(SPI)

Who is a SPI?

A SPI is a student like you, who has taken the course you're in. They are now in the class to assist you and will hold twice a week 45 minute review sessions to help go over the material. A SPI is your peer they are someone who understands that the class can be tough and is a resource for you to be successful.

Does SPI even help??

Students that attended SPI 11+ times averaged almost a Full Letter Grade better than students who never attended SPI

Having a dedicated time each week to study for your class can help add structure and balance to your studies, which leads to better time management!

Tip for Success!

**Get to know your SPI they can be a great mentor, friend and resource for you!
And keep an eye out for the DoodlePoll and emails from your SPI!**
