16"x 16"

The Meadows Alumni House was dedicated in March 2001, honoring Gary A. Meadows '59, MA '65, who retired in February 2001 after 43 years of service to the university as vice president of Alumni Relations. In recent years, the Alumni House has undergone extensive interior and exterior renovations, and new furniture has been contributed to complete the new look.

A campaign is now under way to provide further enhancements to the Meadows Alumni House.

The Meadows Alumni House at Stetson University is the building that centralizes alumni activities, and hosts receptions and meetings for alumni and the Stetson community throughout the year. The Stetson University Alumni Association is offering an opportunity for you to show your support for years to come by purchasing a personalized brick to be placed in the Roderick & Diane Hansen Alumni Garden at the Meadows Alumni House.

This permanent mark can help commemorate a special occasion such as a birth, anniversary or graduation, and all proceeds provide an endowment for future building needs.

For more information on how to purchase a brick, contact the Office of Alumni Engagement at (800) 688-HATS or visit stetson.edu/alumni.

With your gift starting at \$125, you can purchase an engraved brick, personalizing it with your own name and class year or a personalized message. Additional naming opportunities (pavillion, offices, etc.) are available.
