

ELIZABETH GODWIN
Economic Development, Manager
Duke Energy
Elizabeth.godwin@duke-energy.com

Elizabeth Godwin is economic development manager with Duke Energy Florida. She is responsible for the attraction and location of new business, as well as retention and growth of existing companies in Duke Energy's 35-county service area in Florida. With a focus on North Central Florida, her work includes site location services, demographic analysis, rate and cost comparisons and support for state, regional and local partners. Prior to working for Duke Energy, she spent five years at the Orlando Economic Partnership in both business recruitment and research roles. She also worked for AngelouEconomics and The Greater Austin Chamber of Commerce. Elizabeth graduated from the University of Texas with a B.A. in International Relations & Global Studies.
