

Edmunds Center Phase 2 Investment Opportunities

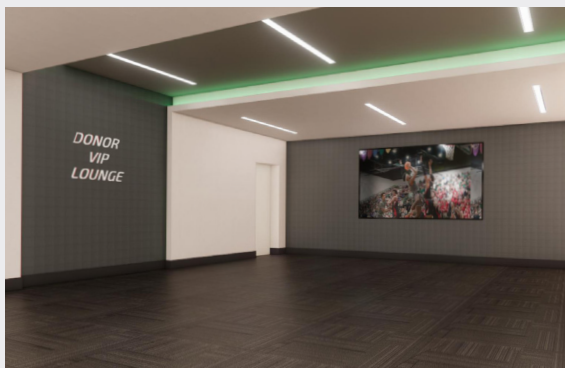

Lobby

The impressive glass façade to the building allows the lobby to be visible from the street. The main lobby is multiuse, providing a lounge area with furniture for staff, coaches and students to congregate and study. For non-athletic events, the lobby is a place for attendees to gather before or after an event and is spacious enough to be used as a reception area. For athletic game days, the lobby's trophies, concession stand and merchandise display add to the Hatter spirit!

Plaza

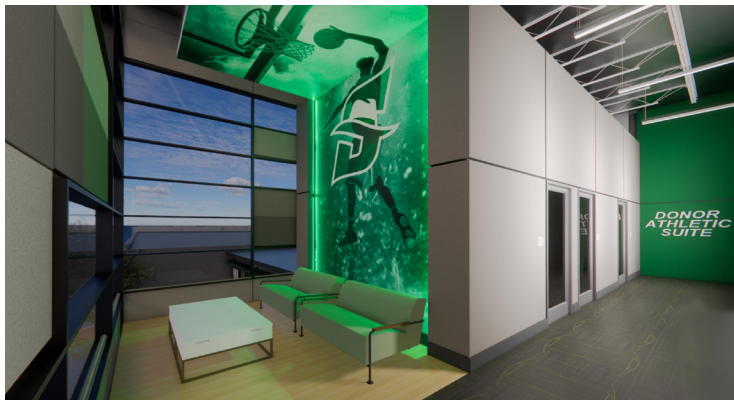

This grand outdoor space will provide seating, tables and grassy areas ideal for many special events, including tailgates at basketball and volleyball games. Students and fans can gather, celebrate and build lifelong Hatter connections.

VIP Lounge

This exciting hospitality area will be one of the largest signature spaces on campus and will host premium seat donors and season ticket holders during athletic events.

A glass wall to the west offers a special "sneak peek" view of the teams as they pass through from locker rooms to arena. This multipurpose space can also be used for other meetings, receptions and catered events.
