

Bartending Services for Your Stetson University Event

As of September 18, 2012, Stetson University's Alcohol Policy will require that all organizations which plan to hold events on Stetson's campus and which will be serving alcoholic beverages, to use a third-party bartending services. Sponsoring organizations are not permitted to purchase their own alcohol. All alcoholic beverages must be purchased, distributed and served by the third-party bartending service.

Below is a list of bartending service providers. A sponsoring organization that wants to use a different vendor will need to contact Terry Gordon (386.822.7701) in facilities management to secure the proper agreements and liability information.
