RESIDENTIAL LIVING & LEARNING

CARSON-HOLLIS HALL

WELCOME TO CARSON-HOLLIS

Carson-Hollis Hall is a two-story building that serves as home to first-year students in shared-occupancy rooms. Although two stand-alone buildings, due to the breezeways connecting them, we lovingly call these buildings Carson-Hollis.

TEST YOUR ACCESS

Your Student ID will grant you access to your building and your key will access your bedroom. If you have trouble with your key or accessing your building, contact our office at 386-822-7201.

SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety.

If you lose your key or Student ID, visit the RL&L office ASAP to request a replacement. We can disable your Student ID until a replacement is provided.

COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! Common spaces in Carson-Hollis are located on the first floor of your building and in the basement level of Carson Hall. Access to the Carson Basement is located in the breezeway between the two buildings. All residents have access to the Carson Basement.

COMMUNITY KITCHEN

You can find your community kitchen in the Carson Basement. Please keep in mind that your fellow Hatters use this space, so be sure to clean up after yourself! You should always label any food you store in the community fridge with your name or room number.

COMMUNITY LAUNDRY

Laundry is free to campus residents! The laundry room contains multiple washers and dryers to support your community. The laundry room can be found in the Carson basement.

COMMUNITY BATHROOMS

Carson-Hollis Hall provides residents with community bathrooms on each floor of both buildings. Our facilities team cleans the community bathroom each weekday, checking to ensure paper products are fully stocked and each bathroom and shower stall has been cleaned and sanitized.

TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms.

Dumpsters/compactors can be found at the Southeast corner of your building outside of the breezeway between Carson and Hollis Halls.

RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet.

Students can create an account and password to access the residential wifi network by visiting

<https://stetson.apogee.us/> and sign in with your Stetson Username and Password. To contact myResNet support visit our [Help & Resources](#) page.

SCHOOLDUDE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a SchoolDude Request online by clicking the SchoolDude link on [myStetson](#).

FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.
