### Support made easy

Like face-to-face sessions, you and your counselor can see each other and work on reaching your goals. It's the next best thing to being in the same room. Without the drive time.

You can still see a counselor in person. Your provider can help you determine which option is a good fit for you.

With televideo, you can:

- Build rapport together with your counselor
- Fit sessions into busy days
- Cut out any travel time and expense
- Skip the waiting room

Now you can decide where you want to use your free counseling sessions. So you can be at home while we help you feel at home.

When you call us for a referral, you've got new choices. Televideo makes it easier than ever to see a counselor on your schedule.
