

Open Enrollment Update 09.13.2018

As previously announced by the Benefits Advisory Committee (BAC), the University will be changing from our current health group provider, United Healthcare, to Cigna, effective January 1, 2019.

To help with the transition, I will be sending out weekly emails every Thursday detailing the latest information available, along with updates on all our benefits. My desire is to make this transition as seamless as possible and, with Cigna's assistance, answer any questions you may have during Open Enrollment from Oct. 1-Oct. 31.

Stetson cares about your wellbeing and will provide the information you need through these weekly emails as soon as it is available. You also can email or call me, Lori Kasbeer, Benefits Administrator, at lkasbeer@stetson.edu or 386-822-7743.

Mark your calendar:

DeLand Benefits and Wellness Fair
Thursday, Oct. 4 in the Stetson Room
A Cigna representative will be available to answer questions

College of Law Benefits and Wellness Fair
Tuesday, Oct. 9 Great Hall and Mann Lounge
A Cigna representative will be available to answer questions

Updates you will see in coming weeks:

- Information on Cigna's One Guide concierge customer service and the phone number to talk to a Cigna representative who is assigned to the Stetson account with Stetson medical benefits and can assist employees with the transition.
- FAQs and explanations of key terms, such as what "fully insured" versus "self-funded insurance" means to you as an employee.
- Detailed information on the benefits under the Cigna Plan.
- 2019 Rate schedule
- Updates on the third Delta Dental PPO plan that will be available beginning Jan. 1, 2019.

Please be sure to check out our new One-Stetson [Human Resources website](#). You will find all the information you need – whether about benefits, such as insurance and retirement, training/development and employee discounts. The site will be updated regularly with benefit information, new employment positions, wellness initiatives and a tab for retirees or those planning for retirement. Also, HR has added a [special webpage](#) for the weekly Cigna benefit updates in case you miss an email or would like to review the information in one location.
