

Expert Primary Care for the Stetson Hatters

In-person and video visits available

Suzanne Villalobos, PA-C
Stetson Health Service Provider

Stetson Health Service provides comprehensive primary care for Stetson University students, employees, and their dependents ages 16 and up. Designed to keep your health on track, we specialize in managing your overall health care through regular checkups, preventative screenings and referrals to medical specialists when needed. Our goal is to treat your whole health, monitor ongoing health conditions and help you make the right treatment decisions for your care.
