A Note about CIRP Constructs

We use the CIRP constructs throughout this PowerPoint to help summarize important information about your students from the CSS.

**Constructs**

Constructs statistically aggregate questions from CIRP surveys that tap into key features of the college experience. These student traits and institutional practices contribute to learning and development in college.

**Longitudinal Constructs**

Constructs that are included in the CIRP TFS and CSS that measure change in your student population over time.
Demographics

Primary Major (Aggregated)

- Biological Science: Men - 5.6%, Women - 13.5%
- Business: Men - 37.0%, Women - 16.5%
- Education: Men - 1.9%, Women - 6.8%
- Engineering: Men - 3.7%, Women - 0.0%
- English: Men - 1.9%, Women - 3.0%
- Fine Arts: Men - 7.4%, Women - 11.3%
- History or Political Science: Men - 5.6%, Women - 2.3%
- Humanities: Men - 6.0%, Women - 13.0%
- Mathematics or Statistics: Men - 0.0%, Women - 2.3%
- Physical Science: Men - 3.7%, Women - 3.8%
- Social Science: Men - 9.3%, Women - 24.1%
- Other: Men - 11.2%, Women - 10.6%

Graph showing the distribution of primary majors for men and women.
Demographics

Overall GPA

- A or A+: 26.8% for Your Institution, 20.6% for Comparison Group
- A-: 21.4% for Your Institution, 21.4% for Comparison Group
- B+: 18.5% for Your Institution, 25.8% for Comparison Group
- B: 17.3% for Your Institution, 22.0% for Comparison Group
- B-: 7.1% for Your Institution, 5.7% for Comparison Group
- C+: 3.6% for Your Institution, 2.6% for Comparison Group
- C: 0.6% for Your Institution, 0.6% for Comparison Group
- D: 0.0% for Your Institution, 0.0% for Comparison Group
Demographics

Finances

Borrowed money to help pay for college

- 53.5% for Your Institution
- 49.5% for Comparison Group

Median Amount Borrowed

- Your Institution: $27,000.00
- Comparison Group: $30,000.00
Demographics

Finances

Sources of Funding for College Expenses

- Aid to be repaid
  - Your Institution: 68.1%
  - Comparison Group: 61.0%

2016 College Senior Survey
Academic Outcomes and Experiences

Students develop skills, knowledge, and abilities through their experiences both in and out of the classroom.
Habits of Mind

Habits of Mind is a unified measure of the behaviors and traits associated with academic success. These learning behaviors are seen as the foundation for lifelong learning.

Construct Items

- Support your opinions with a logical argument
- Seek solutions to problems and explain them to others
- Seek alternative solutions to a problem
- Evaluate the quality or reliability of information you received
- Ask questions in class
- Take a risk because you felt you had more to gain
- Seek feedback on your academic work
- Explore topics on your own, even though it was not required for a class
- Revise your papers to improve your writing
- Look up scientific research articles and resources
- Accept mistakes as part of the learning process

Your Institution  Comparison Group

2016 College Senior Survey
Pluralistic Orientation is a unified measure of skills and dispositions appropriate for living and working in a diverse society.

**Construct Items**

- Tolerance of others with different beliefs
- Ability to work cooperatively with diverse people
- Openness to having my own views challenged
- Ability to see the world from someone else's perspective
- Ability to discuss and negotiate controversial issues

</table>
Academic Self-Concept

Self-awareness and confidence in academic environments help students learn by encouraging their intellectual inquiry. *Academic Self-Concept* is a unified measure of students’ beliefs about their abilities and confidence in academic environments.

### Construct Items

- Self-rated academic ability
- Self-rated self-confidence (intellectual)
- Self-rated drive to achieve
- Self-rated mathematical ability

### Key Statistics

- Your Institution
- Comparison Group
Faculty Interaction

*Faculty Interaction: Mentorship* measures the extent to which students and faculty have mentoring relationships that foster both academic and personal support and guidance.

**Construct Items**

- Help in achieving your professional goals
- Advice and guidance about your educational program
- Emotional support and encouragement
- Feedback on your academic work (outside of grades)
- An opportunity to discuss coursework outside of class
- Encouragement to pursue graduate/professional study
- Help to improve your study skills
- A letter of recommendation
- An opportunity to work on a research project
Guidance from Faculty

“How often have professors at your college provided you with…”

Advice and guidance about your educational program

- Your Institution: 57.4% Frequently, 36.4% Occasionally
- Comparison Group: 48.1% Frequently, 45.6% Occasionally

Emotional support and encouragement

- Your Institution: 50.0% Frequently, 38.9% Occasionally
- Comparison Group: 39.3% Frequently, 47.6% Occasionally

Feedback on your academic work (outside of grades)

- Your Institution: 59.3% Frequently, 32.7% Occasionally
- Comparison Group: 49.7% Frequently, 42.8% Occasionally

2016 College Senior Survey
Academic Validation

Faculty interactions in the classroom can foster students’ academic development. These items measure the extent to which students’ view of faculty actions in class reflects concern for their academic success.

2016 College Senior Survey
General Interpersonal Validation

These items measure the extent to which students believe faculty and staff provide attention to their development.

- At least one faculty member has taken an interest in my development
- At least one staff member has taken an interest in my development
- Faculty believe in my potential to succeed academically
- Faculty empower me to learn here

**Your Institution**
- Strongly Agree
- Agree

**Comparison Group**
- Strongly Agree
- Agree
Academic Outcomes

These items illustrate the extent to which students agree that this institution has contributed to their academic skills and abilities.

- Knowledge of a particular field or discipline: 69.3% (Strongly Agree), 27.8% (Agree), 3.9% (Disagree)
- Critical thinking skills: 55.7% (Strongly Agree), 39.2% (Agree), 5.1% (Disagree)
- Problem-solving skills: 52.9% (Strongly Agree), 44.5% (Agree), 2.6% (Disagree)

Comparison Group:
- Knowledge of a particular field or discipline: 60.4% (Strongly Agree), 37.9% (Agree), 1.7% (Disagree)
- Critical thinking skills: 54.3% (Strongly Agree), 42.3% (Agree), 3.4% (Disagree)
- Problem-solving skills: 52.5% (Strongly Agree), 44.9% (Agree), 2.6% (Disagree)
Academic Enhancement Experiences

Opportunities to apply learning inside and outside the classroom augment students’ academic involvement, allowing them to make meaningful intellectual connections and communicate their knowledge to others.

- **Completed a culminating experience** for your degree (e.g., capstone course/project, thesis, comp exam) - 74.9%
- **Participated in an undergraduate research program** - 63.9%
- **Participated in an internship program** - 42.9%

- **Your Institution**
- **Comparison Group**

2016 College Senior Survey
Active and Collaborative Learning

These items illustrate the extent to which students have deepened their knowledge of course material through interaction with faculty and other students.

- Integrate skills and knowledge from different sources and experiences
  - Your Institution: 80.6%
  - Comparison Group: 76.3%

- Tutored another college student
  - Your Institution: 18.8%
  - Comparison Group: 45.3%

- Performed community service as part of a class
  - Your Institution: 18.2%
  - Comparison Group: 18.0%

2016 College Senior Survey
Active and Collaborative Learning

These items illustrate the extent to which students have furthered their knowledge of course material through interaction with faculty and other students.

- Discussed course content with students outside of class
  - Your Institution: 31.3%
  - Comparison Group: 30.7%
- Worked with classmates on group projects
  - Your Institution: 63.6%
  - Comparison Group: 61.2%
- Studied with other students
  - Your Institution: 36.6%
  - Comparison Group: 46.4%

2016 College Senior Survey
Effective communication skills are essential prerequisites for success in today's world, both personally and professionally.

- **Took a class that required one or more 10+ page papers**
  - Your Institution: 44.7%
  - Comparison Group: 49.4%

- **Took a class that required multiple short papers**
  - Your Institution: 20.1%
  - Comparison Group: 25.7%

- **Made a presentation in class**
  - Your Institution: 15.9%
  - Comparison Group: 27.2%
Effective communication skills are essential prerequisites for success in today's world, both personally and professionally.
Co-Curricular Outcomes and Experiences

Co-curricular experiences provide opportunities for students to grow intellectually, interpersonally, and emotionally.
Social Agency

Activities and beliefs equip and empower students to create a world that is equitable, just, democratic, and sustainable. *Social Agency* measures the extent to which students value political and social involvement as a personal goal.

Construct Items

- Participating in a community action program
- Helping to promote racial understanding
- Becoming a community leader
- Keeping up to date with political affairs
- Influencing social values
- Helping others who are in difficulty

Engaged citizens are a critical element in the functioning of our democratic society. 
**Civic Engagement** measures the extent to which students are motivated and involved in civic, electoral, and political activities.

**Construct Items**
- I am interested in seeking information about current social and political issues
- Publicly communicated your opinion about a cause (e.g., blog, email, petition)
- Worked on a local, state, or national political campaign
- Demonstrated for a cause (e.g., boycott, rally, protest)
- Goal: Keeping up to date with political affairs
- Goal: Influencing social values
- Helped raise money for a cause or campaign
- Performed volunteer or community service work

2016 College Senior Survey
Leadership measures students' beliefs about their leadership development and capability, and their experiences as a leader.

Construct Items

- Self-rated ability in leadership abilities
- Self-rating in leadership ability
- I have effectively led a group to a common purpose
- Been a leader in an organization
- Participated in leadership training
Positive Cross-Racial Interaction

Contact with diverse peers allows students to gain valuable insights about themselves and others. *Positive Cross-Racial Interaction* is a unified measure of students’ level of positive interaction with diverse peers.

**Construct Items**

- Had intellectual discussions outside of class
- Shared personal feelings and problems
- Dined or shared a meal
- Had meaningful and honest discussions about race/ethnic relations outside of class
- Studied or prepared for class
- Socialized or partied

Negative Cross-Racial Interaction

Contact with diverse peers allows students to gain valuable insights about themselves and others. *Negative Cross-Racial Interaction* is a unified measure of students’ level of negative interaction with diverse peers.

### Construct Items
- Had tense, somewhat hostile interactions
- Felt insulted or threatened because of your race/ethnicity
- Had guarded, cautious interactions

Sense of Belonging

The campus community is a powerful source of influence on students’ development. *Sense of Belonging* measures the extent to which students feel a sense of academic and social integration on campus.

Construct Items

- I feel I am a member of this campus
- I feel a sense of belonging to this college
- I see myself as part of the campus community
- If asked, I would recommend this college to others
Diversity Outcomes

Contact with diverse students, faculty, and ideas allows students to gain valuable insights about themselves and others.

Knowledge of people from different races/cultures

- Your Institution:
  - Strongly Agree: 36.4%
  - Agree: 52.3%

- Comparison Group:
  - Strongly Agree: 26.7%
  - Agree: 57.2%

Had a roommate of different race/ethnicity

- Your Institution:
  - Yes: 55.1%
  - No: 44.9%

- Comparison Group:
  - Yes: 45.7%
  - No: 54.3%
In class, I have heard faculty express stereotypes based on social identity (such as race/ethnicity, gender, sexual orientation, disability status, or religion).

There is a lot of racial tension on this campus.

I have felt discriminated against at this institution because of my race/ethnicity, gender, sexual orientation, disability status, or religion.

A diverse and inclusive campus environment strengthens students’ learning experiences and prepares them to participate in an increasingly diverse society.

2016 College Senior Survey
Satisfaction with Campus Diversity

A diverse campus—including students, faculty, and ideas—has a powerful impact on the student experience. These items gauge satisfaction with the diversity of the student body, faculty, and beliefs.

Respect for the expression of diverse beliefs

Your Institution
- 41.1% Very Satisfied
- 26.6% Satisfied

Comparison Group
- 45.2% Very Satisfied
- 40.2% Satisfied

Racial/ethnic diversity of the student body

Your Institution
- 35.7% Very Satisfied
- 26.6% Satisfied

Comparison Group
- 30.9% Very Satisfied
- 16.6% Satisfied

2016 College Senior Survey
Health and Wellness

Students’ physical and emotional well-being can affect many important aspects of the student experience, including academic performance and persistence. These items gauge student behaviors, attitudes, and experiences related to health and wellness.

- Felt overwhelmed by all I had to do
  - Your Institution: 38.5%, 57.4%
  - Comparison Group: 51.8%, 40.1%
- Felt depressed
  - Your Institution: 22.0%, 23.9%
  - Comparison Group: 50.0%, 44.5%
- Sought personal counseling
  - Your Institution: 11.5%, 17.8%
  - Comparison Group: 7.0%, 26.0%

2016 College Senior Survey
Health and Wellness

Students’ physical and emotional well-being can affect many important aspects of the student experience, including academic performance and persistence. These items gauge student behaviors, attitudes, and experiences related to health and wellness.

![Graph showing emotional and physical health comparison between Your Institution and Comparison Group.](image)

- **Emotional health**

2016 College Senior Survey
Satisfaction

Understanding how students perceive their college experience identifies areas that are working well and sheds light on those that need improvement.
Overall Satisfaction measures students’ satisfaction with the college experience.

Construct Items

- Overall college experience
- If you could make your college choice over, would still choose to enroll at your current college
- Overall quality of instruction

Graduating Seniors

- Men: 51.2
- Women: 53.4

Men

- Men: 46.8

Women

- Women: 52.3

Your Institution

Comparison Group
Satisfaction with Coursework measures the extent to which students see their coursework as relevant, useful, and applicable to their academic success and future plans.

Construct Items
- Relevance of coursework to future career plans
- Relevance of coursework to everyday life
- Courses in your major field
- General education or core curriculum courses
Satisfaction with Academic Support and Courses

In addition to actual coursework, various support services are instrumental in shaping students’ academic experiences.

- **Amount of contact with faculty**
  - Your Institution: 31.5% Very Satisfied, 49.9% Satisfied
  - Comparison Group: 36.2% Very Satisfied, 25.2% Satisfied

- **Academic advising**
  - Your Institution: 42.2% Very Satisfied, 42.2% Satisfied
