

## Stetson University Organizational Peer List History

---

*Updated February 7, 2023*

Stetson University regularly conducts peer benchmarking analyses for a variety of purposes and uses an organizational peer list for reference. This list is developed through robust and thoughtful quantitative and qualitative analysis involving input from across the university. The organizational peer list serves as the default for institutionally based comparison, acknowledging the complexities of such a multifaceted organization may necessitate additional, more narrowly focused comparator lists for certain specific inquiries. The organizational peer list is maintained by the Office of Institutional Research and Effectiveness and approved by the Stetson University Board of Trustees.

The current peer list is available on the [Office of Institutional Research and Effectiveness webpage](#), with a history of previous lists provided below for reference. Questions about peer comparisons should be directed to the Office of Institutional Research and Effectiveness at [iro@stetson.edu](mailto:iro@stetson.edu).
