Bryson Pritchard ('21), a business and pre-med student, received the first-place prize and start-up funds in an entrepreneurial pitch contest for his prototype of a syringe for EMTs and other medical professionals.

Thomas Oltorik ('18), a School of Business Administration student, won first place and start-up funds in a product pitch competition. Thomas worked collaboratively with his entrepreneurship professors and the library's Innovation Lab Manager to design and refine his prototype, an improved line guide for fishing rods. Thomas has recently attracted investor funding.

LAB OUTCOMES

- 2 Innovation Awards
- 1 For-Credit Course
- 6 First Place Prototype Prizes
- 4 Journal Articles
- 1 Magazine Article
- 3 Book Chapters
- 2 Workshops
- 4 Senior Research
- 5 Invited Blog Posts
- 1 Art Exhibition
- 17 Conference Presentations
