Faculty Senate
and other stakeholder
input

Provost

President's Cabinet

2021 Proposed Substantive Changes

- Replacing the 2010 charts with updated workflows.
- ADDED, as a non-substantive change to “Curricular and policy process overview” section (UCCAP DD, p.2): “All workflows governing review processes of UCCAP will follow the principles and powers laid out in this document. Changes to workflows must first be reviewed by the Senate for alignment with the defining document before implementation.”
