

Wellness & Recreation Intramural Sports Official

Wellness & Recreation located in the Hollis Center is accepting applications for work study positions.

Position Description:

Reporting to the Assistant Director of Wellness & Recreation, the student is responsible for game management that contributes to the development of a safe, professionally managed, and well organized Intramural Sports program. The Official's responsibilities include, but are not limited to:

- Managing all Intramural Sports game activities, applying proper rules and mechanics to enhance the participant experience
- Enforcing proper penalties when required by rule
- Keeping a knowledge of all applicable rules, mechanics, policies, and procedures
- Keeping score and statistics when required
- Attending training clinics for each sport
- Advising the Assistant Director on necessary changes, potential problems, and recent successes
- Attending regularly scheduled staff meetings
- Perform other duties as assigned

Requirements:

- Effective communication skills
- Awareness of safety concerns and risk management
- Ability to manage conflict, often in high stress situations
- Maintain up-to-date rules and mechanics knowledge in each sport
- Ability to work a majority of hours at night
- Some weekend hours are required

Benefits:

- Paid by the hour on a monthly basis (determined by your financial aid eligibility and award)
- Personal and professional development opportunities
- Learn details about upcoming events and programs

APPLICATION PROCEDURES: Interested applicants should fill out the application located [here](#). Interested applicants should refer any questions to sportprograms@stetson.edu.

Employer Information: Stetson University, Wellness and Recreation; 421 N. Woodland Boulevard, Unit 8334, DeLand, FL 32723.
