Description of Site and Clients: Behavioral Health Services is dedicated to providing individualized treatment to people ages 18 and older who experience serious psychiatric and/or chemical dependency problems. This acute care setting provides effective stabilization of psychiatric symptoms and safe detoxification from chemical dependency.

Admission can be arranged anytime (24 hours a day, 7 days a week). Referrals are accepted from psychiatrists, community agencies, private physicians and by patients themselves. An initial diagnostic evaluation is completed within 24 hours of admission.

Soon after admission, an individualized treatment plan is developed by our team. Using a multidisciplinary approach, the team consists of a psychiatrist, mental health social worker, therapist and psychiatric nurses. The treatment program addresses the patient’s emotional, physical, developmental, spiritual, environmental, family, nutritional, social and recreational needs.

Behavioral Health Services include:

• Daily sessions with a psychiatrist
• Individual, group and family therapy
• Relaxation therapy
• Therapeutic crafts

Our staff develops a specific aftercare plan with input from each patient and significant family members. Family involvement is vital throughout the hospitalization process, as well as after discharge.

Description of Site and Clients: Kids House aids children by providing all necessary services for abuse cases from reporting and investigation through treatment and prosecution. Our Mental Health Program provides therapy to children who have been victims of physical and sexual abuse as well as neglect and witness to severe domestic violence. We also see non-offending caretakers and siblings as necessary. Interns provide individual therapy with caretakers, co-therapy with children in individual, group and family treatment and may gradually work individually with children. Intern must be available to be present at Treatment Team meeting weekly on Thursdays at 9:00am. Evening hours are also required as families are often seen after school and in the evening.

Internship Procedure: A student interested in an internship with our Mental Health Program should fax or email their resume to Nicole Brenenstuhl. Students who reach the interview process will be asked to complete an Internship application. Through the interview and application process we will determine the best match for both the student and Kids House. A full background check will be required.

Site Overview: At PACE Center for Girls, we have developed a nationally recognized, research-based non-residential program model that features a balanced emphasis on academics and social services, with a focus on the future for middle and high-school aged girls and young women.

The foundation of PACE is our gender-responsive culture where we provide a safe environment that celebrates girls. PACE offers services that take into account how girls learn and develop, and our supportive staff members respond to and celebrate each girl's strengths and challenges.

The holistic, strength-based, and asset building PACE program model addresses the needs of girls and has garnered recognition nationally as one of the most effective programs in the country for keeping girls from entering the juvenile justice system.

Note: We keep a total of up to 55 girls and are a year round program.

Description of Site and Clients:

Level II Residential Substance Abuse Treatment Program serving women, expecting mothers, and mothers with children (children up to age 6 reside with mothers in the program). Program length is 6 months to 1 year.

Application procedure for site:

Contact SMA Behavioral HR office for Internship Application, follow-up with an email to: Anna Temple - atemple@smabehavioral.org

Special considerations or needs of site:

Understanding of substance abuse, family dynamics, early child development, women specific needs.

Hours of Operation: 24 H facility. Clinical work takes place from 8 AM to 5 PM Monday through Friday, all major holidays are observed (please check with HR for SMA approved work holidays)

Time at Internship: In order to provide appropriate clinical learning experience for the interns we recommend 6 months to 1 year commitment. Such will allow interns to carry their own case load and see clients from admission to discharge. It also provides less transition for the clients who would be assigned to interns.
