

STETSON UNIVERSITY

Resources for Graduate Students

As Stetson students, you have access to an assortment of student services. While we encourage you to utilize the search feature on our website when in need, we thought we would try to capture a few resources you might find helpful.

Academic Success

Academic success provides opportunities for students to reach their individual goals in the higher education environment by ensuring equal access and skills-based coaching, accommodations, and tutoring.

Academic Success

421 North Woodland Blvd., Unit 8366

Deland, FL, 32723

P: 386-822-7345

STETSON UNIVERSITY

Office of Diversity and Inclusion

The primary mission of the Office Diversity and Inclusion is to educate our campus community on issues relating to social identity development— in terms of *race and ethnicity, gender, sexuality, religion, socioeconomic status, and ability* — and how those factors can impact one's college experience. Through compassionate education, our office is invested in partnering with various offices, departments, and student groups to provide programs, training, and workshops to further inclusive excellence on our campus.

- [Multicultural Student Council](#) (MSC) — comprising of 9 student organizations and a student-led executive board
- [WISE Program](#) — facilitating academic fortitude, social awareness, and financial growth through mentoring underrepresented student populations
- [Gender and Sexuality Resources](#) — educating and developing awareness for LGBTQ+ identities through Safe Zone training and the Gender and Sexuality Diversity Conference hosted with the Department of Counselor Education at Stetson University
- [IMPACT: Intellectuals Methodically Pursuing Academic Consciousness Together](#) - IMPACT is a multicultural graduate student organization is designed to support graduate students of color through their journey of graduate education by building a community to thrive by sharing successes, concerns and participating in social events and professional development experiences and engage in the campus and community resources and programs.

STETSON UNIVERSITY

Title IX

The Title IX Office collaborates with the Stetson community to stop, prevent, and remedy interpersonal violence and gender-based discrimination through education, culture change, accountability, and empowerment. We offer options and resources to all students affected by these issues and are committed to providing a fair, thorough, and prompt investigation and adjudication process.

Title IX

421 North Woodland Blvd.

Deland, FL, 32723

P: 386-822-7960

E: titleix@stetson.edu

W: <https://www.stetson.edu/other/title-ix/>

1. [Stetson University](#) is committed to providing all students with a safe and secure learning environment that is free of discrimination on the basis of sex or gender. Any individual who has been the victim of an act of violence or intimidation (or knowledge of such behavior) is urged to make an official report, learn about resources, and receive support.
2. The Peer Advisory Council for Title IX are student activists, educators, and advocates working toward creating a culture of consent on Stetson's campus. You can email PACT at pactix@stetson.edu or follow their Instagram @stetsonpact. [PACT](#) is always welcoming new members and allies.
3. [Report It](#). Stetson University encourages prompt reporting of complaints so that support services can be offered as needed to the concerned party, and the incident can be evaluated for possible violation(s) of university policy and state or federal law. The University values and embraces the ideals of diversity, inclusion, inquiry, freedom of thought, and freedom of expression within our community of scholars.

Equality, Safety, & Awareness

Title IX of the Education Amendments of 1972

STETSON UNIVERSITY

STETSON UNIVERSITY

Student Employment

Stetson offers [graduate assistantships](#) across the University, ranging from Student Affairs to Athletics. This is an intentional experience where graduate students get real-world experience while focusing on their graduate education. Currently, there are 18 graduate assistants across campus.

Participants receive a bi-weekly stipend and a scholarship that covers the cost of two courses each fall and spring semesters. Students taking classes in the summer receive an increase to the bi-weekly stipend. This page is updated as new positions become available throughout the year.

Sincerely,

Office of Graduate Studies – College of Arts and Sciences | Flagler Hall, 101-B
