

1. Our question concerns page 3 item 10 of the Factual Stipulation. Was the personal computer that Representative Wyatt used on October 17, 2015 located at his office or his home? Was it a desktop computer or a laptop? Did it also have programs on it from his office's IT Department? Who paid for it?
  - a. Answer: The personal computer that Rep. Wyatt used on October 17, 2015, was a laptop he/she originally purchased and replaced with the Premium Lapbook. The security features on the personal computer were installed by his/her office's IT Department.
2. Under Committee Rule C. 4. a., "The memos may not exceed 4,800 words". Does that statement mean "The memos may not exceed 4,800 words each," or "The two memos collectively may not exceed 4,800 words?"
  - a. See Rule C.4.a
3. Is SkyHigh Computing allowed to access information in the accounts of SkyHigh customers? If so, what user information is SkyHigh is allowed to access, and what is SkyHigh allowed to do with each user's information?
  - a. Answer: Please see the Competition Problem for the provided language of the SkyHigh Terms and Services Agreement.
