We would like to acknowledge and thank the many attorneys and judges who serve as adjunct professors and clinical supervisors at Stetson University College of Law. These individuals help us to offer a wide range of courses. Below are the adjuncts and clinical supervisors for the Fall 2001 semester.

We also want to thank the many other judges and attorneys who participate in our various clinics, advocacy programs, internships and practicums, and those who served as adjuncts in past semesters.
