Difficult Situations: What Does the Attorney	
Advise?	
• Trustee tells attorney that beneficiary has allowed	
"friends" to move in and they are cooking meth in the garage. What do you advise?	

- Trustee: read the trust, talk to the attorney, remember the purpose of the trust and the role of the trustee.
- Attorney:
  - Read the trust, read the law, repeat.
  - Remember who is the client.
  - Educate trustee on asking permission vs. asking forgiveness.
  - Pay attention!
