Dear Professor Batt:

On behalf of the AALS Executive Committee and AALS Executive Director Judith Areen, we are grateful for your effective contribution in presenting your work-in-progress which contributed to the very successful Conference on Clinical Legal Education held April 27 - 30, 2014 in Chicago, Illinois. In a testament to your efforts, we are pleased that we achieved a record-breaking attendance.

AALS professional development programs are central to the Association's work. The success of these conferences and workshops is dependent upon your willingness to participate. We truly appreciate all of the effort that you put into your works-in-progress presentation.

Thank you for your invaluable contributions.

Sincerely,

Jane M. La Barbera
