

SCIENCE DRIVEN POLICY: PROTECTING ORANGE COUNTY'S WETLANDS

NOVEMBER 18, 2024
12:00-1:00
IN THE MANN LOUNGE

Tim Hull, the Environmental Programs Administrator at the Orange County Environmental Protection Division, will discuss how Orange County has strengthened its Wetland Protection Ordinance and permitting processes to better preserve local wetlands. Guided by two technical studies, the updates assess how well the original 1987 ordinance protected wetland health and coverage.
