**RULES FOR THE TWENTY-SEVENTH ANNUAL
STETSON INTERNATIONAL ENVIRONMENTAL
MOOT COURT COMPETITION
2022–2023**

A. COMPETITION COMMITTEE AND FORUM

1. Competition Committee Defined

The Competition Committee is comprised of Professor Roy Gardner, Professor Erin Okuno, Katherine Pratt, and other members who may be appointed to serve. Members of the Competition Committee will not be actively affiliated with any team registered to participate in the Competition.

2. Powers of the Competition Committee

- a. The Competition Committee has the sole discretion to enforce all Competition rules.
- b. The Competition Committee has the sole discretion to interpret the Competition rules. No interpretation of the Competition rules is valid unless obtained in writing from the Competition Committee.
- c. The Competition Committee has the sole discretion to answer questions about the Record and all other materials related to the Competition.
- d. The Competition Committee has the sole power to resolve any dispute that may arise during the Competition.
- e. The Competition Committee has the power to change or supplement the Competition rules, should any changes or supplements become necessary. Changes and supplements will be communicated to participating teams as quickly as possible.

3. Questions and Inquiries

Any questions or inquiries about the Competition should be directed to the Competition Committee **in writing**. To the extent a question or inquiry affects other teams, a copy of each written question and answer will be circulated to all participating teams. The deadline for requests for clarification of the Record is September 9, 2022. Each team may submit no more than five (5) requests for clarification of the Record; teams may not break each request for clarification of the Record into sub-parts.

4. Contact with the Competition Committee

The Competition Committee may be reached at

By mail: International Environmental Moot Court Competition
Attn: Katherine Pratt
Stetson University College of Law
1401 61st Street South
Gulfport, Florida 33707

By email: gardner@law.stetson.edu, kpratt2@law.stetson.edu, **and** eokuno@law.miami.edu.

5. Forum

The problem will be set in the mock International Court of Justice (ICJ).

B. REGIONAL AND OTHER QUALIFYING ROUNDS

1. Teams Must Compete in a Regional or Other Qualifying Round

Except as provided below, a team must compete in a regional, national, or other qualifying round before advancing to the International Finals. Regional or national rounds are expected to be hosted in person or online by universities in Africa, Brazil, Colombia, East Asia, India, Ireland, Mexico, North America, and Southeast Asia before the International Finals. Memorials submitted from regional or national rounds will be re-graded for the International Finals. Any disputes arising out of regional or national rounds will be resolved by the regional or national round coordinators.

- a. The regional, national, or other qualifying round will consist of a written memorial and oral arguments.
- b. In determining how many teams advance to the International Finals, each region or country will be represented by one team for every six teams that participate in the regional, national, or other qualifying round. For example, if there are six teams participating in a regional round, only the top team will advance to the International Finals. If there are ten teams participating in the regional round, the top two teams will advance to the International Finals.
- c. No individual country may have more than four teams in the International Finals. No individual school may have more than two teams in the International Finals.

- d. With the approval of the Competition Committee and the relevant regional or national round coordinator, a school that hosts a regional or national round and competes in that regional or national round will automatically receive an invitation to advance one team to the International Finals, even if the team from the host school did not otherwise qualify. Only one team from a host school may advance to the International Finals.
- e. In the interest of having the greatest number of countries participating in the Competition, the Competition Committee may establish additional regional or national rounds.

2. A Team Participating in a Regional or National Round from the Host School

It is permissible for the host school to have a team in the regional or national rounds, as long as the following constraints are met:

- a. The team's coach cannot be involved with any aspect of hosting the regional or national rounds, which includes but is not limited to, not having access to the bench brief during the team's preparation for the oral arguments (or after, if the team advances).
- b. Practice round judges cannot judge the team during the regional or national rounds.
- c. During the regional or national rounds, the coordinators will ensure that all judges do not know the affiliation of the host school's team. All conflicts of interest must be resolved before each round begins.
- d. Individual team members should be counseled to not reach out to the legal community for assistance with their oral arguments, unless first approved by the team's coach and the regional or national round coordinator.

3. International Memorial-Only Qualifying Round for Teams from Regions Without a Regional or National Round

- a. If a team is from a region without a regional, national, or other qualifying round, the team may qualify for the International Finals through the memorial-only qualifying round.
- b. Teams must register for the memorial-only qualifying round by October 3, 2022, and must submit to the Competition Committee their memorials in accordance with these rules by November 11, 2022.

- c. In light of the Competition's history and its interest in encouraging greater participation, the Competition Committee will extend invitations to teams through the memorial-only qualifying round if their memorials are of sufficient quality to warrant an invitation.
- d. Questions about a team's eligibility to participate in the memorial-only qualifying round should be directed to the Competition Committee (see Rule A(4) above).

C. TEAM COMPOSITION

1. Team Defined

- a. A team consists of two or three persons, each of whom satisfies the criteria listed in Rule C(2) below. [**Note:** Some regional or national rounds may permit up to five team members. While this is permissible for regional or national rounds in part to encourage broader participation, if a team advances to the International Finals, the team will be restricted to no more than three team members.]
- b. In light of the Competition's interest in encouraging greater participation and subject to the approval of the relevant regional or national round coordinator and the Competition Committee, a single team may consist of students from different schools.
- c. No person may be a member of more than one team, nor may any member of a team discuss the problem or related substantive matters with any member of a different team. Team members may discuss the problem or related substantive matters with only the members of their own team.
- d. Only two team members may present arguments or otherwise participate in any particular round (all three may argue during the competition, but only two may argue in any particular round).
- e. All team members may participate in any other aspect of the Competition, including practice rounds and researching and drafting the memorial.
- f. Only two team members may sit at counsel table during a round. If there is a third team member, he or she should sit behind his or her teammates, and he or she is not allowed to communicate (verbally, in writing, or otherwise) with his or her teammates during the round, even if the teammates are not arguing at that particular moment.

2. Qualifications of Team Members

- a. No team member may hold a law degree from a United States law school.
- b. Each team member must be enrolled in a full-time or part-time Juris Doctor or equivalent program in the law school they represent.
- c. No licensed attorney who has practiced law is eligible to participate.
- d. The Competition Committee will determine on an individual basis whether potential team members from countries other than the United States meet these criteria.

3. Replacing Team Members

A team member may be replaced after the team's memorial has been written or substantially written only with the express written consent of the Competition Committee, which will require a showing of good cause (e.g., health or healthcare issues).

4. Coaches and Advisors

- a. Each team may have one or more coaches.
- b. If a school enters more than one team in the Competition, the two teams cannot be coached by the same coach.
- c. Once the record has been released, coaches/advisors are not allowed to help the team members with drafting or editing of the memorial. A coach or advisor's assistance must be in accordance with Rule H(1) below.
- d. Nothing in this rule prevents non-coach, practice round judges from seeing different teams; however, no person may share substantive information from one team with another team. For example, if an individual serves as a practice judge for one team, he or she may later serve as a practice judge for another team but may not tell one team what the other team argued during its presentation.

D. SCORING AND AWARDS

1. Breakdown

- a. Scores for each Preliminary Round will be determined by counting the team's memorial score as one-third of the total score and oral score as two-thirds of the total score. Scores for the Quarterfinal Rounds will be determined by counting the team's memorial score as 25% of the total score and oral score as 75% of the total score. Scores for the Semifinal Rounds will be determined by counting the team's memorial score as 10% of the total score and oral score as 90% of the total score.
- b. The oral score will be determined by a panel of judges. The judges will not know the teams' memorial scores.
- c. In the Championship Round, the winner will be determined solely on the decision of the judges. The teams' memorial scores do not factor into the score for the Championship Round.

2. Awards

- a. The International Finals will conclude with the announcement of the following awards:
 - (1) the Competition Champion;
 - (2) runner-up;
 - (3) semifinalists;
 - (4) best overall memorial;
 - (5) runner-up memorial;
 - (6) third place memorial;
 - (7) at least the top five oralists in the Preliminary Rounds; and
 - (8) best individual oralist in the Championship Round.
- b. To be eligible for an oralist award in the Preliminary Rounds, a competitor must argue at least three times. For those who argue four times, the lowest round score will be dropped.

- c. The same individual cannot win both best oralist awards—the best individual oralist in the Preliminary Rounds and the best individual oralist in the Championship Round.

E. MEMORIALS (BRIEFS)

1. Sides

- a. Each team must submit **either** an Applicant or Respondent memorial to the Competition Committee by November 11, 2022 (for the purposes of these rules, the Applicant is the Federal States of Azarlus, and the Respondent is the Republic of Rathearre).
- b. Teams will prepare an Applicant or Respondent memorial based on rules for each regional or national round. The regional or national round coordinator may leave the choice to a team's discretion, assign a side, or require teams to prepare memorials for both sides.
- c. If a school enters more than one team in the Competition, one team must represent the Applicant, and the other team must represent the Respondent. The two teams cannot collaborate during the memorial-writing process.

2. Problem

- a. The hypothetical facts on which the Competition is based will be drafted by a person or group of persons knowledgeable in the field of international environmental law.
- b. The person(s) who drafts the problem will also prepare—or supervise the preparation of—a bench memorial that will be provided to persons who judge oral rounds or memorials.

3. Format

- a. The memorial may not exceed **6,500 words** on 8-1/2 x 11-inch pages, with one-inch margins at top, bottom, left, and right. **Footnotes do count toward the word limit.** Deductions will be taken if the memorial is over the word count. [Note: Most word processing programs can provide you with a word count. Make sure you select the option to **include** the footnotes in the word count.]
- b. The memorial must be typed and double-spaced. A team does not violate the double-spacing requirement by properly including written material that is single spaced, such as a block quote.

- c. Each memorial must include the following sections, in the order listed: front cover page, table of contents, index of authorities, questions presented, statement of jurisdiction, statement of facts, summary of argument, argument with point headings, conclusion, signature block, and affidavit (see Addendum A, included at the end of these rules).
- d. The following sections do count toward the word limit: statement of facts, summary of argument, argument with point headings, and conclusion.
- e. The following sections do not count toward the word limit: front cover page, table of contents, index of authorities, questions presented, statement of jurisdiction, signature block, and affidavit.
- f. **Limit on Use of Authorities:** In memorials, teams may not use any case issued, order decided, or actions that affect the status of any treaty (for example, signature, accession, ratification, entry into force) after October 14, 2022. [**Note:** This limitation does not apply to oral arguments.]
- g. **Citations:** All citations must conform to the most current version of either *The Bluebook: A Uniform System of Citation* or the *ALWD Guide to Legal Citation*. Teams from outside the United States should make a good effort to comply with proper citation format.
- h. **Identification:** To facilitate anonymous grading, names of the team members and the school they represent must not appear on the memorial. Names of the team members and the school they represent should appear only on the affidavit (see Addendum A), **which must be submitted as a separate file in the same email as the original memorial.**

Each team will be assigned an identification number that is to appear in the uppermost right-hand corner of the front cover page of the team's memorial. For the national and regional rounds, teams should request an identification number from the national or regional round coordinator. Teams participating in the memorial-only qualifying round should request an identification number from the Competition Committee. Teams advancing to the International Finals will receive a new identification number for the International Finals from the Competition Committee.

4. Service of the Memorial

- a. Every team must submit an electronic copy of its memorial to the Competition Committee. This rule applies to all regional and national rounds, including those rounds in which the memorials are being judged by judges affiliated with that particular regional or national round. **All memorials must be submitted to the Competition Committee.**
- b. The memorial should be sent as an email attachment in Microsoft Word format as a .doc or .docx file. **Do not send the memorial as a PDF file.**
- c. Name the memorial using your team's assigned identification number and "A" for Applicant or "R" for Respondent. For example, if you are assigned team number 2300 and wrote for the Applicant, the file name should be 2300A.doc or 2300A.docx.
- d. The electronic version of the memorial **must be received** by the Competition Committee no later than 5:00 p.m. (Eastern Standard Time) on November 11, 2022. The Committee will post the memorials on the Competition website after **all** regional and national rounds have concluded (see Rule E(5) below).
- e. Memorials that arrive after the deadline will receive a deduction for being submitted late.
- f. In addition to the memorial, each team must submit a signed affidavit. The affidavit should be a separate file from the memorial but should be attached to the same email. The affidavit may be submitted as a PDF file and may be signed electronically if necessary.
- g. The memorial and affidavit should be sent to Katherine Pratt at kpratt2@law.stetson.edu. Please include the following in the subject line of the email: "2023 IEMCC Memorial XXXX" (where XXXX is the team's assigned identification number).

5. Service on Other Teams

Teams should not send copies of their memorial to any other team. As noted in Rule E(4)(d) above, the Competition Committee will post the memorials of teams advancing to the International Finals on the Competition website after **all** national, regional, or other qualifying rounds are complete.

6. No Changes After Submission

Once the memorials have been submitted to the Competition Committee or to any regional, national, or other qualifying round, no revisions, supplements, or additions will be allowed. In addition, no written material outside the memorial will be accepted.

7. Grading

- a. Each memorial will be scored by a panel of judges knowledgeable in the areas of international and/or environmental law.
- b. The scores will be averaged, and that average will be the memorial score used throughout the International Finals; however, the memorial score will not be used to determine the Championship Round winner.
- c. Memorials will be graded for both content and style. The factors memorial judges will consider include, but are not limited to, the following: legal substance; use of authority and extent of research; issue analysis; logic and reasoning; clarity and organization; persuasiveness; thoroughness; style; grammar; spelling; citation frequency and form; and compliance with Competition rules.
- d. Memorial scores will not be released until after the Competition is completed. At that point, the Competition Committee will release a list that reflects the memorial rankings by quartile.
- e. The minimum score on any memorial will be 60.

8. English

Each memorial must be submitted in English.

F. ORAL ARGUMENT PROCEDURES

1. Time and Place

- a. All oral arguments will be held in person at Stetson University College of Law on April 13–15, 2023.
- b. Courtroom assignments will be provided during orientation.

- c. The first and second Preliminary Rounds will be held on Thursday, April 13, and the third and fourth Preliminary Rounds will be held on Friday, April 14.
- d. **During the Preliminary Rounds, each team will argue four times and will argue for both the Applicant and Respondent.**
- e. One team representative must check in and attend the mandatory orientation meeting on Thursday, April 13, at 11:00 a.m.

2. Time per Team and Rebuttal Time

- a. Each oral round will be limited to sixty minutes; each team will have thirty minutes to argue.
- b. Teams representing the Applicant in a round may reserve up to five minutes of their time for rebuttal by (1) informing the bailiff before the round how much rebuttal time will be reserved and the time breakdown for each team member, **and** (2) requesting rebuttal time from the presiding judge in the beginning of the Applicant's argument.
- c. Only one team member may argue on rebuttal; either participating member may give rebuttal. The team member arguing the rebuttal does not need to be designated in advance of the argument.
- d. Previously reserved rebuttal time may be waived by the Applicant following the close of Respondent's argument; however, the Applicant may not otherwise reallocate rebuttal time once the round begins.
- e. Sur-rebuttal by the Respondent will not be allowed.
- f. Each participating team member must intend to speak for at least ten minutes (in addition to rebuttal time).
- g. Nothing in this rule requires a 50/50 split of time between teammates; however, any reserved time not used by one oralist will not be reallocated to another oralist.
- h. During the oral arguments, a bailiff will keep time for each team and provide the following time cards: 10, 7, 5, 3, 1, and stop. Oralists are welcome to take a timer to the podium; however, the bailiff's timer is the official time. (If a timer is taken to the podium, the timer cannot have email or internet capabilities, and the timer must not make any sounds.)

- i. During the oral arguments, laptops, phones, or other similar electronic devices are not permitted at counsel table.

3. Anonymity

- a. Although counsel may introduce themselves to the tribunal in the usual manner, the team's law school affiliation must not be mentioned at any time before, during, or **after** the oral argument (because some judges may preside in more than one round).
- b. Further, all team members, coaches, advisors, and observers must refrain from identifying a team's school at any time and in any manner, including, but not limited to, wearing any identifying items, such as school clothing, patches, or pins, or carrying identifying material, such as a notebook with a school logo.
- c. Each team will be provided with a table card with the school's team number. The card should be placed on counsel table facing the judges at the beginning of each round and should remain on the table throughout the round.

4. Contact with Judges

- a. All team members and individuals affiliated with a team are prohibited from speaking with the judges before a round.
- b. Because individuals may judge more than one round, until a team is eliminated from the Competition, team members and individuals affiliated with the team should not speak with judges about any substantive matters or a team's identification.

5. Judges and Judging Criteria

- a. Barring unforeseen circumstances, each round will be judged by at least three persons.
- b. Judges will be provided with a copy of the bench memorial and the problem.
- c. Oral argument judges will **not** be provided with copies of the teams' memorials.
- d. Each judge will score each participating team member; the judges' scores for that round will be averaged to determine the team's oral-argument score for a round.

- e. Each judge will receive a grading form outlining the factors to be considered during the judging process; the grading form will also identify what excellent, average, and below average scores should be in each category.
- f. The factors to be considered include, but are not limited to, the following: organization and clarity; analysis and thoroughness; knowledge of facts and law; courtroom manner and style; ability to answer questions and control argument; persuasiveness; and professionalism. The minimum score on any individual oralist's argument will be 60.

6. Critiques

Each judge will be requested to provide a short oral critique at the end of each round. Judges' scores for the oral arguments will be anonymized and emailed **after** the Competition (see Rule J(2) below). Each team will receive only its own oral argument scores; a team will **not** receive any other team's oral argument scores. It may take several weeks after the Competition for teams to receive their compiled oral argument scores.

7. Announcements

- a. After all of the Preliminary Rounds have been completed, the eight teams advancing to the Quarterfinal Rounds will be announced.
- b. After the Quarterfinal Rounds have been completed, the four teams advancing to the Semifinal Rounds will be announced.
- c. After the conclusion of the Semifinal Rounds, the two teams advancing to the Championship Round will be announced.
- d. The winner of the Championship Round will be announced during the Awards Ceremony.

8. Stetson's Participation

Stetson may not enter a team in the International Finals.

9. English

All oral arguments will be conducted in English. Judges may take into consideration that English is not a team's first language in scoring the competition.

10. Visual Aids

Visual aids and other similar devices cannot be used during oral argument. No documents (cases, reports, etc.) may be handed to the judges.

G. SEQUENCE OF ORAL ROUNDS AND ADVANCEMENT AT THE INTERNATIONAL FINALS

1. Preliminary Rounds

- a. Four Preliminary Rounds will be held.
- b. Barring any unforeseen circumstances, each team will argue in each Preliminary Round.
- c. Each team will argue on- **and** off-memorial at least once in the Preliminary Rounds. This means that each team will represent the Applicant at least once during the Preliminary Rounds **and** will represent the Respondent at least once during the Preliminary Rounds.
- d. During the first and second Preliminary Rounds, teams will be power-protected based on memorial score (higher memorial scores compete against lower memorial scores).
- e. During the third and fourth Preliminary Rounds, teams will be power-matched based on their record in the first two or three Preliminary Rounds, respectively (highest-ranking team competes against second highest-ranking team, etc.). The Competition Committee may alter the power-matched rankings so that teams will not compete against any team more than once during the Preliminary Rounds.
- f. The schedules for the first two Preliminary Rounds will be available at the orientation meeting on Thursday, April 13. Since the third and fourth Preliminary Rounds are power-matched (see Rule G(1)(e) above), the schedule for the third and fourth Preliminary Rounds will be announced after the completion of the second Preliminary Round or the third Preliminary Round, respectively.
- g. Each team will be scored on a combination of its average memorial score and average oral score (one-third memorial and two-thirds oral).

- h. Each team's score will be compared to its opponent's score in that round, and the differential determined.
- i. The teams with the best won-lost records will advance to the Quarterfinal Rounds.
- j. In the event of a tie in won-lost records, the team winning the highest percentage of judges' ballots during the four Preliminary Rounds will advance.
- k. If a tie occurs on the percentage of ballots won, the team with the highest positive point differential over its opponents during the four Preliminary Rounds will advance.
- l. The Competition Committee will not change pairings simply because teams from the same school are scheduled to argue against one another.
- m. The ranking of the teams, or bracket, stays the same after the conclusion of the Preliminary Rounds.

2. Quarterfinal Rounds

- a. The eight highest-ranking teams from the Preliminary Rounds will advance to the Quarterfinal Rounds.
- b. The highest-ranking team will argue against the lowest-ranking team. The higher-ranking team will choose which side it wants to represent.
- c. Each team will be scored on a combination of its average memorial score and average oral score (25% memorial and 75% oral).
- d. Each team's score will be compared to its opponent's score in that round, and the winning team from that courtroom will advance. (Scores of teams in one room will not be compared to scores of teams in another room.)
- e. In the event of a tie, the team winning the highest percentage of judges' ballots will advance.
- f. If a tie occurs on ballots, the team with the higher memorial score will advance.
- g. The top four winning teams will advance to the Semifinal Rounds, based on memorial scores and oral scores earned during the

Quarterfinal Rounds. Advancement will be determined in the manner described above in subsections G(2)(c)–(f).

3. Semifinal Rounds

- a. The four highest-ranking teams will advance to the Semifinal Rounds.
- b. The highest-ranking team will argue against the lowest-ranking team. The higher-ranking team will choose which side to represent.
- c. Each team will be scored on a combination of its average memorial score and average oral score (10% memorial and 90% oral).
- d. Each team's score will be compared to its opponent's score in that round, and the winning team in that courtroom will advance. (Scores of teams in one courtroom will not be compared to scores of teams in another courtroom.)
- e. In the event of a tie, the team winning the highest percentage of judges' ballots will advance.
- f. If a tie occurs on ballots, the team with the higher memorial score will advance.
- g. The two highest-ranking teams will advance to the Championship Round, based on memorial scores and oral scores earned during the Semifinal Rounds. Advancement will be determined in the manner described in subsections G(3)(c)–(f) above.

4. Championship Round

- a. The top two highest-ranking teams will meet in the Championship Round. The higher-ranking team will choose which side to represent.
- b. The winner of the Championship Round will be determined solely on the basis of oral presentation in the Championship Round. The judges will caucus to determine the winning team and the best oralist in the Championship Round. The judges are not obligated to use score sheets.
- c. The winner of the Championship Round will be designated the Competition Champion.

H. OUTSIDE ASSISTANCE

1. Assistance on Memorials

- a. A team may receive only the following assistance on the memorial:
 - (1) Team members may discuss with their coach and with others affiliated with their school (as long as other rules contained herein are not violated) general principles of international environmental law.
 - (2) The coach may provide general guidance on the overall organization of the brief but cannot assist with the actual writing and cannot edit the paper or correct citation format.
 - (3) Teams for which English is a second language may seek assistance within their schools regarding English grammar and spelling.
- b. A team may hold practice oral rounds before its memorial is submitted to the Competition Committee or to a regional or national round.

2. Affidavit

- a. Each team member must sign a copy of the affidavit, which must be submitted with the original memorial to the Competition Committee.
- b. By signing the affidavit and submitting a memorial to the Competition Committee, each team member certifies that the memorial has been prepared in accordance with the Competition rules and that it represents the work product solely of such team's members.
- c. A blank affidavit is attached as Addendum A.

3. Assistance on Oral Argument

A team may be assisted in the preparation of its oral argument, except as limited by Rule H(4) below.

4. No Collaboration with Other Teams

- a. No member or coach of any team still eligible to participate or actually participating in the Competition may attend any practice or argument of another team or receive information from any person who has attended such practice or argument.
- b. In addition, while a team is still active in the Competition, no team member, coach, or other affiliated person may “scout” other active teams.
- c. If a school sends two teams, and one team is eliminated but the other is still active, both teams will then be treated as one team, for purposes of this rule only.

I. CHALLENGES AND DISPUTE RESOLUTION

- a. Any complaint or challenge related to a memorial or any other pre-oral argument matter must be submitted in writing to the Competition Committee no later than ten days after the memorials have been posted on the Competition website.
- b. Should the allegedly offensive conduct occur after that time, the complaint should be submitted within twenty-four hours of its discovery.
- c. The complaint or challenge should be directed to the Competition Committee and should specify in as much detail as possible the nature of the complaint or challenge. No other person should be copied on the complaint or challenge.
- d. After reviewing the complaint or challenge, the Competition Committee will, if necessary, contact other affected teams and issue a ruling.
- e. The ruling of the Competition Committee will be final and cannot be appealed.

2. Oral Arguments and Other Competition Challenges

- a. Complaints or challenges concerning any oral argument or conduct during the Competition must be reported to the Competition Committee within ten minutes of the conclusion of the round in which the allegedly offensive conduct occurs.

- b. Conclusion of the round, for purposes of this rule, will be the end of the Applicant's rebuttal period.
- c. Complaints or challenges that occur during the Competition that do not relate to a particular oral argument should be reported to the Competition Committee as soon as possible, but in no event later than fifteen minutes before the next scheduled oral argument round.

3. Conflicts of Interest

A judge's alleged conflict of interest should be reported to the Competition Committee before that particular round commences. Otherwise, the conflict is deemed waived.
