KeyCite Symbols

KeyCite has a system to help you determine the status of the case you are researching, which are the KeyCite Symbols.
The KeyCite® Symbols

See at a glance the status of a case or statute.

- A red flag warns that a case or administrative decision has been overruled, repealed, superseded, or held unconstitutional or unenforceable.
- A yellow flag warns that a case or administrative decision has some negative impact, but which has not been overruled or reversed. It is in effect, but is subject to further monitoring or new developments.
- A blue flag indicates that a case or administrative decision has some basis.

A green C indicates that the case or administrative decision has citing references but no direct or negative decision history, or that a statute or regulation has citing references.

Depth of treatment tells you how much the citing case discusses the cited case:

- EXAMINED - Contains an extended discussion of the cited case, usually more than a page of text.
- DISCUSSED - Contains a substantial discussion of the cited case, usually more than a paragraph.
- CITED - Some discussion of the cited case, usually less than a paragraph.
- MENTIONED - Contains a brief reference to the cited case, usually in a strong citation.
- A quotation mark or a citation indicates that the citing case directly quotes the cited case or administrative decision.
