

## **Frequently Asked Questions...and the Answers!**

### **When is drop off and pick up?**

Registration/check in/drop off will begin **Monday, July 15** at **8:00 a.m.** About a week prior to registration an email will be sent with specific check-in times. PLEASE DO NOT ARRIVE BEFORE YOUR ASSIGNED TIME. In order to help both the check in and audition process move quickly and smoothly we do not want everyone arriving at the same time. If personal schedules require a specific check-in time, that is possible with prior notice – email Dr. Phillips at [tkphilli@stetson.edu](mailto:tkphilli@stetson.edu).

Parents should plan on arriving on **Saturday, July 20<sup>st</sup>** around **12:30** to move all personal belongings out of the dorm. Students report for pre-concert warm-up at 2:00; the final concert begins at 2:30 p.m. and should conclude around 3:30 p.m.

### **This will be my child's first time away from home. Is it safe?**

#### **How are the students supervised?**

#### **How are the rooms assigned?**

The Flute Workshop is designed with younger students in mind, and one of the most frequent comments about the camp is that it was an ideal “first time away from home” experience. There is an expectation that older students will mentor the younger, and all of the faculty/counselors have experience dealing with school-age children. It is an extremely safe, caring, and friendly environment. All faculty are counselors, and all stay in the dorms with the students for the duration of the camp. The students are chaperoned/supervised 24 hours a day, and all rules and regulations are thoroughly discussed at the beginning of camp (refer to the enclosed Rules and Regulations) and enforced. All students are housed in a single dorm, but are separated by gender and age, with counselors strategically placed on each floor. The most experienced counselors are always in close proximity to the youngest students.

The students are grouped in ensembles according to age and like abilities, and assigned roommates of similar age. It is possible to request a roommate at the time of registration or with an email to Dr. Phillips.

### **My child has dietary restrictions, can this be accommodated?**

Yes. The campus food service plans meals to accommodate vegetarian, diabetic, and celiac conditions. Your child will be responsible for choosing the food he/she is able/required to eat. The students are allowed to keep some snacks in their rooms and they are allowed to order take out (delivered to the dorms) after the scheduled evening activities. NO HIGHLY CAFFEINATED/ENERGY DRINKS ARE ALLOWED.

**Are there other activities/free time?**

Free time is scheduled each day. There is free time before and after dinner, and after each evening's scheduled event. At times there are scheduled fun activities during the free time.

**What is appropriate evening recital apparel?**

We ask that students dress appropriately for the evening recitals: guys – shirts with a collar, dress pants/shorts (polo shirts and khakis, for example); girls – dresses, skirts, appropriate shirts/blouses (school dress code length/skin coverage please), no jeans, sports clothes, flip-flops.

**What concerts can parents/friends attend?**

All workshop concerts are free and open to the public. The schedule available at check-in will give the detailed events and times for the week.
