

Stetson Brass Camp 2021 – Welcome Letter

June 14, 2020

Greetings from the brass faculty at Stetson University! We are looking forward to meeting each of you and working closely with you during the week! We are planning a variety of performing opportunities that will provide you with new and interesting playing experiences!

1. Please go to our web page (<http://www.stetson.edu/music/community/music-workshops/brass-camp.php>) to copy all information needed for the camp. This includes:
 - (1) a daily schedule for the week,
 - (2) a “What to Bring to Camp” list,
 - (3) Directions to the Chaudoin Hall dormitory,
 - (4) Rules and Regulations for all Brass Camp participants
 - (5) Student Honors Recital requirements: **PLEASE** email me the title and composer of the piece you will be playing for your audition!!!!
 - (6) **Informed Consent Form and Medical Release Forms: PLEASE** fill out and bring with you to the check-in period at the dorm. These forms are **ABSOLUTELY** essential in order to participate in the camp! **ALL** students must have one on file.

Although we would prefer having your account paid in full by Friday, June 18th, if necessary, the balance of your account may be payable by **check, money order, or cash ONLY** when you check in at the dorm (Chaudoin Hall) on Monday, June 21st. Credit cards cannot be used for payment of your balance at the dorm! Before check-in can begin, each student must complete an on-campus Covid-19 test. For Green Band students, tests will be administered from 9am-9:45am, White Band students will be from 9:45am-10:30am. Please arrive early as there is a 30 minute wait time to receive the test results. Each student will receive a folder for the week, room keys, meal ticket and locker assignment upon checking in at the dorm. The Honors Recital auditions will start promptly at 10:30am, so please plan to arrive early enough to get settled into your room and have enough time to go over to the music building to warm up and practice before your audition. **(Lunch WILL be provided this year.)** Parents are requested to leave immediately after getting your child settled into the dorm room. Counselors and staff will be present in the dorms at all times.

If you have any questions about the information in this packet or online, please contact me by email (rsorenso@stetson.edu). We are looking forward to another great camp!
