

# Stetson University Summer Saxophone Workshop 2022

## Video Audition Instructions

Dear Saxophone Workshop Participant,

Before you prepare your audition video, read through all these instructions carefully.

1. You may use a phone/tablet. You may also use a camera attached to your computer. However, test your recording level, picture placement, etc. to get the best recording you can.
2. Make sure we can see you, as well as your hands/fingers throughout the video.
3. Do not edit, crop, or audio enhance your video with any special editing program.
4. Avoid using a metronome during the audition.
5. Do not record multiple attempts of any portion of the audition material. If you are unsatisfied with a take, you should start over.
6. Do not send multiple attempts of any portion of the audition material.
7. Practice recording yourself a few days before you plan to send a recording so you can get used to trying. All students should send their audition recordings by June 21st
8. All students should record all three parts: scales (memorized), assigned audition etude, assigned jazz etude. These should all be recorded in the same video.
9. Someone else (*teacher, friend, or family member*) may record you, however we only want to physically hear & see your playing.
10. **If you don't have a facebook account & your video needs to be sent from someone else's facebook account, that is okay.**

### TO RECORD YOUR VIDEO & SEND USING A PHONE/TABLET:
