

# ACCELERATED BACHELOR'S TO MASTER OF Accountancy

## PROGRAM OVERVIEW »

The Accelerated Bachelor's to MAcc program allows Stetson undergraduates to seamlessly transition from their bachelor's degree to a STEM-designated Master of Accountancy, saving both time and money.

This program is open to all Stetson undergraduate students, regardless of major, but is especially well-suited for those pursuing a major or minor in accounting.

During your junior and senior years, you can take up to two designated undergraduate courses at Stetson that may count toward both your undergraduate degree and up to six elective credits in the MAcc program, enabling you to use your undergraduate scholarships and aid while getting a head start on graduate coursework.

## PROGRAM BENEFITS »

- Dedicated graduate business program staff and MAcc faculty are there for you from the start.
- Small class sizes and passionate, supportive faculty who offer individualized attention and support.
- Weekly interactive sessions with faculty members.
- The two designated courses are treated as undergraduate courses for tuition and financial aid. Consult Financial Aid and Student Accounts for guidance regarding your financial situation.
- The MAcc program is STEM-designated.
- The MAcc curriculum is available to you online with an in-person option.
- Courses can be completed in as little as one year.

## APPLICATION REQUIREMENTS »

- Stetson junior pursuing any major with a minimum 3.0 GPA
- Must have one or two general elective courses remaining:
  - ACCT 406 (Auditing) is a required course for all accounting majors; accounting minors should take the course as an elective
  - BLAW 407 (Business Law) should be taken as an elective
- Complete Accelerated Bachelor's to MAcc Form.
- Submit an application for admission to Stetson's MAcc program in your last semester of undergraduate studies.

*In one year, gain the knowledge, skills and credentials you need for long-term success. The Stetson Master of Accountancy program is a proven path to career advancement and global opportunities in accounting, providing you with the technical competencies that top organizations require and the professional skills to set you apart. It provides the flexibility you need through both live-online faculty interaction and asynchronous coursework.*

## PREPARING YOU FOR SUCCESS »

Your Accelerated Bachelor's to MAcc program journey begins with ACCT 406 (Auditing) and/or BLAW 407 (Business Law I). ACCT 406 (Auditing) is a required course for all accounting majors; accounting minors should take the course as an elective. BLAW 407 (Business Law I) should be taken as an elective.

Undergraduate students who earn a B or better in one or both courses are eligible to waive up to six elective credits (three credits per course) in the MAcc program, reducing the ten-course program to as few as eight graduate courses.

The remaining eight or nine courses may be completed fully online in as little as one year, with the added flexibility of optional in-person instruction.

*"The Accelerated Bachelor's to MAcc program is such an enticing and cost-effective incentive for students to pursue both a bachelor's and master's degree at Stetson. This program allowed me to complete my master's degree in a shorter amount of time, thus enabling me to focus on internships and CPA preparation upon completion of my undergraduate education. In addition, it allowed me to continue learning from Stetson's wonderful accounting faculty who truly support their students' success."*
