

Plants of the Volusia Sandhill

Herbaceous plants

Common name	Latin name	Plant Family
Carolina wild petunia	<i>Ruellia caroliniensis</i>	Acanthaceae
Oblong twinflower	<i>Dyschoriste oblongifolia</i>	Acanthaceae
Adam's needle	<i>Yucca filamentosa</i>	Agavaceae
Cottonweed	<i>Froelichia floridana</i>	Amaranthaceae
Butterflyweed	<i>Asclepias tuberosa</i>	Apocynaceae
Pinelands milkweed	<i>Asclepias humistrata</i>	Apocynaceae
Swamp milkweed	<i>Asclepias incarnata</i>	Apocynaceae
Velvetleaf milkweed	<i>Asclepias tomentosa</i>	Apocynaceae
Whorled milkweed	<i>Asclepias verticillata</i>	Apocynaceae
Chapman's gayfeather	<i>Liatris champmanii</i>	Asteraceae
Coastalplain palafox	<i>Palafoxia integrifolia</i>	Asteraceae
Firewheel	<i>Gaillardia pulchella</i>	Asteraceae
Florida greeneyes	<i>Berlandiera subacaulis</i>	Asteraceae
Florida Indian plantain	<i>Arnoglossum floridanum</i>	Asteraceae
Florida paintbrush	<i>Carphephorus corymbosus</i>	Asteraceae
Goldenrod	<i>Solidago odora</i>	Asteraceae
Ironweed	<i>Vernonia angustifolia</i>	Asteraceae
Lanceleaf tickseed	<i>Coreopsis lanceolata</i>	Asteraceae
Maryland goldenaster	<i>Chrysopsis mariana</i>	Asteraceae
Rayless sunflower	<i>Helianthus radula</i>	Asteraceae
Rose-rush	<i>Lygodesmia aphylla</i>	Asteraceae
Shortleaf gayfeather	<i>Liatris tenuifolia</i>	Asteraceae
Silkgrass	<i>Pityopsis graminifolia</i>	Asteraceae
Spanish needles*	<i>Bidens alba</i>	Asteraceae
Starry rosinweed	<i>Silphium asteriscus</i>	Asteraceae
Pricklypear	<i>Opuntia humifusa</i>	Cactaceae
Gopher apple	<i>Geobalanus oblongifolius</i>	Chrysobalanaceae
Pinebarren frostweed	<i>Crocantemum corymbosum</i>	Cistaceae
Ohio spiderwort*	<i>Tradescantia ohioensis</i>	Commelinaceae
Coastalplain dawnflower	<i>Stylisma patens</i>	Convolvulaceae
Queen's delight	<i>Stillingia sylvatica</i>	Euphorbiaceae
Rushfoil	<i>Croton michauxii</i>	Euphorbiaceae
Bastard false indigo	<i>Amorpha fruticosa</i>	Fabaceae
Buckroot	<i>Pediomelum canescens</i>	Fabaceae
Carolina indigo	<i>Indigofera caroliniana</i>	Fabaceae
Coralbean	<i>Erythrina herbacea</i>	Fabaceae
Doubleform Snoutbean	<i>Rhynchosia difformis</i>	Fabaceae
Elliott's milkpea	<i>Galactia elliotii</i>	Fabaceae
Florida alicia	<i>Chapmannia floridana</i>	Fabaceae
Florida hoarypea	<i>Tephrosia florida</i>	Fabaceae
Hairy lespedeza	<i>Lespedeza hirta</i>	Fabaceae

Partridge pea	<i>Chamaecrista fasciculata</i>	Fabaceae
Pencilflower	<i>Stylosanthes biflora</i>	Fabaceae
Pursh's rattlebox	<i>Crotalaria purshii</i>	Fabaceae
Scurf hoarypea	<i>Tephrosia chrysophylla</i>	Fabaceae
Sensitive pea	<i>Chamaecrista nictitans</i>	Fabaceae
Spurred butterfly pea	<i>Centrosema virginianum</i>	Fabaceae
Sticky jointvetch	<i>Aeschynomene viscidula</i>	Fabaceae
Summer farewell	<i>Dalea pinnata</i>	Fabaceae
Viperina	<i>Zornia bracteata</i>	Fabaceae
Beebalm	<i>Monarda punctata</i>	Lamiaceae
Helmet skullcap	<i>Scutellaria integrifolia</i>	Lamiaceae
Large-flowered false rosemary	<i>Conradina grandiflora</i>	Lamiaceae
Pennyroyal	<i>Piloblephis rigida</i>	Lamiaceae
Corkystem passionflower	<i>Passiflora suberosa</i>	Passifloraceae
Maypop	<i>Passiflora incarnata</i>	Passifloraceae
Manyflower beardtongue	<i>Penstemon multiflorus</i>	Plantaginaceae
Arrowfeather threeawn	<i>Aristida purpurascens</i>	Poaceae
Bushy bluestem	<i>Andropogon glomeratus</i>	Poaceae
Chalky bluestem	<i>Andropogon virginicus</i>	Poaceae
Elliott's bluestem	<i>Andropogon gyrans</i>	Poaceae
Lopsided Indiangrass	<i>Sorghastrum secundum</i>	Poaceae
Splitbeard bluestem	<i>Andropogon ternarius</i>	Poaceae
Wiregrass	<i>Aristida stricta</i>	Poaceae
Standingcypress	<i>Ipomopsis rubra</i>	Polemoniaceae
Showy milkwort	<i>Asemeia violacea</i>	Polygalaceae
Dogtongue wild buckwheat	<i>Eriogonum tomentosum</i>	Polygonaceae
Pink purslane*	<i>Portulaca pilosa</i>	Portulacaceae
Pitted stripeseed	<i>Piriqueta cistoides</i>	Turneraceae
Turkey tangle fogfruit*	<i>Phyla nodiflora</i>	Verbenaceae

Trees and Shrubs

Common name	Latin name	Plant Family
Bigflower pawpaw	<i>Asimina obovata</i> (Willd.)Nash	Annonaceae
Common persimmon	<i>Diospyros virginiana</i> L.	Ebenaceae
Rusty lyonia	<i>Lyonia ferruginea</i> (Walter)Nutt.	Ericaceae
Turkey oak	<i>Quercus laevis</i> Walter	Fagaceae
Longleaf pine	<i>Pinus palustris</i> Mill.	Pinaceae

*These native plants are widespread, found in a broad range of natural ecosystems beyond the longleaf pine sandhill habitat. As weedy wildflowers, they are beautiful and beneficial to insect pollinators, but need to be held in balance with other sandhill species.
