How to support your student academically

Stacy Collins and Aaron Distler
What are the Differences between High Schools and Stetson Academically?
#1: Advocate that the academic experience is on purpose
Integration Of Learning

General Education

- Writing
- Personal & Social Responsibility
- Speaking
- Information Literacy
- Quantitative Reasoning
- Critical Thinking
- Cultures and the Natural World
Boundary crossing competencies

Understanding other disciplines and how they are applied across contexts

Knowledge +
How I want to make a difference
#2: Support through challenge
#3: Know and encourage the use of resources
