

Personal Protective Equipment Training Program

This training program is designed to increase the participant's knowledge in the area of personal protective equipment according to the Occupational Safety and Health Administration, [29 CFR 1910.132](#).

1. To begin training, please watch the video linked below:

Personal Protective Equipment: <https://learn.streamery.co/Topics/Safety/OSHA-Compliance/PPE-General/Personal-Protective-Equipment-en>

Login information will be provided to the training coordinator upon request.

2. Next, please complete the Personal Protective Equipment Quiz to assess your understanding of the content presented in the videos.

- A. You must achieve a score of 80% or higher on the quiz.
- B. Quizzes will be reviewed by the Office of Risk Management.
- C. Failure to achieve this score will require the employee to complete the training again until a sufficient score is earned.

3. After completion of the training video and quiz, please review and sign the Training Acknowledgement Form.

4. Finally, please forward a copy of your completed quiz and the signed training acknowledgement form to the Office of Risk Management (DeLand) or the Office of Human Resources (Gulfport/Tampa).

Need Help?

If you have any issues with accessing the video or questions on the content reviewed, please contact the Office of Risk Management at riskmanagement@stetson.edu or (386) 822-7701.

Personal Protective Equipment Training Acknowledgement

Please initial each item indicating your full understanding and agreement to each point.

_____ I listened, watched, and understood the required Personal Protective Equipment training video.

Date of Completion: _____

_____ I have completed the Personal Protective Equipment and understand I may need to complete the training program again if a sufficient score was not achieved. A sufficient score is defined as 80% or higher.

_____ I understand that I am responsible for inspecting Personal Protective Equipment for tears, punctures, holes, cuts, cracks, embedded foreign objects and texture changes (e.g., swelling, softening, hardening, becoming sticky or inelastic) before each use.

_____ I understand that Personal Protective Equipment shall be inspected, cleaned and maintained by employees at regular intervals and as recommended by the manufacturer so it can be discarded, changed and/or decontaminated as deemed necessary.

_____ I understand that, at a minimum, all Personal Protective Equipment shall be discarded when it has become irreversibly contaminated, damaged, or has other integrity problems.

_____ If I have questions about the training, I understand that it is my responsibility to seek clarification from my supervisor or the Office of Risk Management.

By signing below, I certify that I have received training on the policies and topics listed above. I certify that I fully understand the duties, responsibilities, roles and expectations of me as it related to these policies and topics. I agree to abide by and follow all University policies and procedures related to this topic.

Name: _____	800 #: _____
Signature: _____	Date: _____
Position(s): _____
