

## **Highly Effective Writing Program Models**

The WEC Task Force examined two areas: schools in our peer/aspirational group, and schools with excellent writing programs. These are not always overlapping groups; some of our peer/aspirational schools offer no coherently organized writing program at all, while some state schools with entirely different missions and goals have excellent writing programs.

**Stetson should aspire to be the best small university with the best writing program.**

Research into our peer schools (Excel file)

Aspirational Schools

- [University of Minnesota Twin Cities WEC Program](#)
- [Elon University](#)
- [Carleton College](#)

Schools with thriving WAC or WID programs

- WAC at [Colorado State University](#). A Colorado State U introduction for faculty intended to encourage good practice across the curriculum. Compiled by Kate Kiefer, a member of the faculty at CSU. Copyright 2000
- WAC at [Southern Illinois University at Carbondale](#)
- WAC at [University of Richmond](#)
- [University Writing Program](#) at Virginia Tech
- WAC at [George Mason University](#)
- [Swarthmore College Writing](#)
